Austin –

Thanks for the incredible invite. I would like to come, although I'm not sure about the schedule of others. Not to be greedy, but would it be possible for us to bring a couple of our larger boosters with us as well? It would be a very nice trip for them to go there with the three of us. If it's not possible, that's fine, just trying to get the most mileage out of this for the University...

Hi guys - hope you had a great 4th with the families and we're excited for this next phase of getting Osceola done together.

On a slightly unrelated note, we recently launched the Soccer Champions Tour, which is a series of games across the US this summer (and future years) featuring some of the world's top soccer clubs...we're doing this in partnership with Legends, Barcelona, Real Madrid, and others).

We wanted to reach out and formally invite you to be our guests on 7/29 for El Classico - Real Madrid vs. FC Barcelona at AT&T Stadium in Dallas (4pm kick-off). It should be a great time and game - hope you can make it.

Let us know if you are able to join and we can handle details/logistics. Speak soon.

Best,  
Austin

Thanks Stephen. I know Caroline and JP are working closely on reconciling the numbers. For the June 15th UBOT meeting, I too want to make sure I'm accurately reporting out your numbers in our aggregated totals for all philanthropic gifts.

President McCullough, we will send you an update as soon as we have it in the next couple of days.

Best,  
Marla

Yes, Have talked to our staff and Marla. We are working on getting accurate numbers. I don't know the reason the numbers aren't accurate but we will get it resolved. I know we are well ahead of last year. Will have an update this week.

Hi Marla and Stephen.

I hope you are both well. I have noticed that I have signed several significant gift agreements from the Boosters. I know we are trending behind last year's overall totals and would love an accurate update on the year-to-date totals. Any way you two can work together to get the accurate Booster totals and the overall totals and send me an update.

Thank you.

Best,  
Rick
