ARTICLE II AUTHORIZATION, TERMS, EXECUTION, REGISTRATION, TRANSFER, AND ISSUANCE OF BONDS

SECTION 2.01. AUTHORIZATION OF THE 2024 BONDS. Subject and pursuant to the provisions of this Resolution, fully registered revenue bonds of the Board of Governors to be known as “State of Florida, Board of Governors, Florida State University Athletics Association Revenue Bonds, Series 2024”, or such other designation as may be determined by the Director, are hereby authorized to be issued and to be sold by competitive sale by the Division in an aggregate principal amount not exceeding \$381,000,000, for the purpose of financing all or a portion of the 2024 Project. Such 2024 Bonds may be sold and issued in one or more Series, and in combination with other Florida State University Athletics Association Revenue Bonds; provided that the actual designation of any such Series, whether sold in one or more than one Series (including a change of year designation, if desirable), and whether such Bonds or any portion thereof are to be taxable or tax-exempt, shall be determined by the Director.

SECTION 2.02. DESCRIPTION OF THE BONDS. (A) The Bonds shall be issued in fully registered form without coupons; shall be dated as determined pursuant to a subsequent resolution of the Division; shall be numbered consecutively from one upward within each Series and shall be in the denomination of \$1,000 each or any integral multiples thereof; shall bear interest at not exceeding the maximum rate permitted by law, payable on each Interest Payment Date; and shall mature on such dates in such years and amounts as shall be determined pursuant to a subsequent resolution adopted by the Division on or prior to the sale of the Bonds.

(B) The Bonds may be sold at one time or in Series from time to time as the Division may determine pursuant to a supplemental resolution. If issued in Series, each Series shall be dated and have an identifying number or letter. All of such Bonds, when issued, will rank equally as to source and security for payment.

(C) The principal amount of the Bonds shall be paid to the Registered Owner on the Principal Payment Date of the Bonds, unless redeemed prior thereto as determined pursuant to a supplemental resolution of the Division, upon presentation and surrender of the Bonds at the office of the Bond Registrar/Paying Agent.

(D) Interest shall be paid on the Interest Payment Dates to the Registered Owner at the address shown on the registration books of the Bond Registrar/Paying Agent as of 5:00 p.m. Eastern time on the Record Date immediately preceding such Interest Payment Date; provided, however, that if the Record Date is a Saturday, Sunday, or holiday, then interest shall be paid to the Registered Owner at the close of business on the day immediately preceding such Record Date which is not a Saturday, Sunday, or holiday. Interest on the Bonds shall be paid by check or draft mailed by first class mail (or transferred by a mode at least equally as rapid) from the Bond Registrar/Paying Agent to the Registered Owner on each Interest Payment Date. In certain cases, interest on the Bonds may be paid by wire transfer at the election of the Registered Owner, other than a securities depository, in the manner and under the terms provided in the State's agreement with the Bond Registrar/Paying Agent, provided that such Registered Owner advances to the Bond Registrar/Paying Agent the amount, if any, necessary to pay the wire charges or authorizes the Paying Agent to deduct the amount of such charges.

SECTION 2.03. BONDS MAY BE ISSUED AS SERIAL BONDS, TERM BONDS. The Bonds may be issued as, or as a combination of, Serial Bonds, Term Bonds, or such other type of bonds as shall be determined pursuant to a subsequent resolution of the Division.

SECTION 2.04. PRIOR REDEMPTION OF THE BONDS. (A) The Bonds may be made redeemable in such manner and upon such terms and conditions as determined pursuant to subsequent resolution adopted by the Governing Board prior to the sale of such Bonds.

(B) Unless waived by any Registered Owner of Bonds to be redeemed, a notice of the redemption prior to maturity of any of the Bonds shall be mailed to each Registered Owner of record as of the Record Date of Bonds to be redeemed, by first class mail (postage prepaid) or other method at least as fast, at least thirty days prior to the date of redemption. In lieu of mailing the notice of redemption, the Bond Registrar/Paying Agent may elect to provide such notice by electronic means to any Registered Owner who has consented to such method of receiving notices. Such notice of redemption shall specify the CUSIP number or other distinctive numbers or letters of the Bonds to be redeemed, if less than all, the date fixed for redemption, the redemption price thereof, and, in the case of Bonds to be redeemed in part only, the principal amount thereof to be redeemed. Failure to give any such notice by mailing (or other approved method) to any Registered Owner of Bonds, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bond or portion thereof with respect to which no such failure has occurred. Any notice mailed (or provided by electronic means) as provided above shall be conclusively presumed to have been given, whether or not the Registered Owner of such Bond receives such notice.

(C) The Bond Registrar/Paying Agent shall not be required to issue, transfer, or exchange any Bonds selected for redemption during a period beginning at the opening of business on the Record Date applicable to such redemption and ending at the close of business on the date fixed for redemption.

(D) Notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds so called for redemption shall, on the redemption date designated in such notice, be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date. On the date so designated for redemption, notice having been given and moneys for payment of the redemption price being held in separate accounts by an escrow agent, the Board of Administration, or the Bond Registrar/Paying Agent, in trust for the Registered Owners of the Bonds or portions thereof to be redeemed, all as provided in this Resolution, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds and portions of Bonds shall cease to be Outstanding under the provisions of this Resolution and shall not be entitled to any lien, benefit, or security under this Resolution, and the Registered Owners of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof from the moneys held in trust for such purpose and, to the extent provided herein to receive Bonds for any unredeemed portion of the Bonds. Bonds redeemed prior to maturity shall be duly canceled by the Bond Registrar/Paying Agent and shall not be reissued.

(E) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number or other distinctive numbers or letters identifying the Bonds redeemed with the proceeds of such check or other transfer.

(F) In case part but not all of an Outstanding Bond shall be selected for redemption, the Registered Owner thereof shall present and surrender such Bond to the Bond Registrar/Paying Agent for payment of the principal amount thereof so called for redemption, and the Bond Registrar/Paying Agent shall execute and deliver to or upon the order of such Registered Owner, without charge therefor, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds fully registered as to principal and interest.

SECTION 2.05. EXECUTION OF BONDS. (A) The Bonds shall be executed in the name of the Board of Governors by its Chair and attested to by its Vice-Chair, or such other member of the Board of Governors as may be designated pursuant to subsequent resolution of the Division, and the corporate seal of the Board of Governors or a facsimile thereof shall be affixed thereto or reproduced thereon. The Bond Registrar/Paying Agent's certificate of authentication shall appear on the Bonds, signed by an authorized signatory of said Bond Registrar/Paying Agent in accordance with Section 2.08 of this Resolution. Any of the above signatures may be a facsimile signature imprinted or reproduced on the Bonds, provided that at least one signature required shall be manually subscribed. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Board of Governors before the Bonds so signed and sealed shall have been actually sold and delivered, the Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Board of Governors by such person who, as to the actual time of the execution of such Bond, shall hold the proper office, although at the date of such Bond, such person may not have held such office or may not have been so authorized.

(B) A certificate as to the approval of the issuance of the Bonds pursuant to the provisions of the State Bond Act shall be executed by a signature or facsimile signature of the Secretary or an Assistant Secretary of the Governing Board.

SECTION 2.06. NEGOTIABILITY. The Bonds shall have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code – Investment Securities Law of the State of Florida. The original Registered Owner and each successive Registered Owner of any of the Bonds shall be conclusively deemed by the acceptance thereof to have agreed that the Bonds shall be and have all the

qualities and incidents of a negotiable instrument under the Uniform Commercial Code – Investment Securities Law of the State of Florida.

SECTION 2.07. REGISTRATION AND TRANSFER. (A) The Bonds shall be issued only as fully registered bonds without coupons. The Bond Registrar/Paying Agent shall be responsible for maintaining the books for the registration of and for the transfer of the Bonds in compliance with its agreement with the State.

(B) Upon surrender to the Bond Registrar/Paying Agent for transfer or exchange of any Bond, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his attorney duly authorized in writing, the Bond Registrar/Paying Agent shall deliver in the name of the transferee or transferees a fully registered Bond or Bonds of authorized denominations of the same maturity for the aggregate principal amount which the Registered Owner is entitled to receive. The Bond Registrar/Paying Agent shall not be required to issue, transfer, or exchange any Bonds on a Record Date.

(C) All Bonds presented for transfer, exchange, redemption, or payment shall be accompanied, if required by the Division or the Bond Registrar/Paying Agent, by a written instrument of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Division and the Bond Registrar/Paying Agent, duly executed by the Registered Owner or by his duly authorized attorney.

(D) Neither the Division nor the Bond Registrar/Paying Agent may charge the Registered Owner or his transferee for any expenses incurred in making any exchange or transfer of the Bonds. However, the Division and the Bond Registrar/Paying Agent may require payment from the Registered Owner of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto. Such governmental charges and expenses shall be paid before any such new Bond shall be delivered.

(E) New Bonds delivered upon any transfer or exchange shall be valid obligations of the Board of Governors evidencing the same debt as the Bonds surrendered, shall be secured by this Resolution, and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered. The Board of Governors and the Bond Registrar/Paying Agent may treat the Registered Owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary.

(F) Notwithstanding the foregoing provisions of this section, the Division reserves the right, on or prior to the delivery of the Bonds, to amend or modify the foregoing provisions relating to registration of the Bonds in order to comply with all applicable laws, rules, and regulations of the United States and the State of Florida relating thereto.

SECTION 2.08. AUTHENTICATION. Unless otherwise provided by supplemental resolution, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Bond shall have been duly executed by the manual signature of the Bond Registrar/Paying Agent, and such executed certificate of the Bond Registrar/Paying Agent upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The Bond Registrar/Paying Agent's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Bond Registrar/Paying Agent, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereinafter.

SECTION 2.09. DISPOSITION OF BONDS PAID OR EXCHANGED. Whenever any Bond shall be delivered to the Bond Registrar/Paying Agent for cancellation, upon payment of the principal

amount thereof or for replacement or transfer or exchange, such Bond shall either be cancelled and retained by the Bond Registrar/Paying Agent for a period of time specified in writing by the Division of the Board of Administration, or, at the option of the Division or the Board of Administration, shall be cancelled and destroyed by the Bond Registrar/Paying Agent and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the Division or the Board of Administration.

SECTION 2.10. BONDS MUTILATED, DESTROYED, STOLEN, OR LOST. (A) In case any Bond shall become mutilated, destroyed, stolen, or lost, the Division may, in its discretion, issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen, or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen, or lost, and upon the Registered Owner furnishing the Division proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Division may prescribe and paying such expense as the Division may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar/Paying Agent. If any such Bond has matured or is about to mature, instead of issuing a substitute Bond, the Division may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen, or destroyed, without surrender thereof.

(B) Any such duplicate Bond issued pursuant to this section shall constitute original, additional, contractual obligations on the part of the Board of Governors, whether or not the lost, stolen, or destroyed Bond is at any time found by anyone and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien, source and security for payment, pursuant to this Resolution from the Pledged Revenues.

SECTION 2.11. FORM OF BONDS. (A) The Bonds will be in such form as determined by the Director.

(B) The Bonds may be issued in book-entry only form utilizing the services of the Securities Depository. So long as a book-entry only system of evidence of transfer of ownership of all the Bonds is maintained in accordance herewith, any provision of this Resolution relating to the delivery of physical bond certificates shall be inapplicable, and this Resolution shall be deemed to give full effect to such book-entry system. If the Bonds are issued in book-entry only form:

- (1) The Bonds shall be issued in the name of the Securities Depository as Registered Owner of the Bonds and held in the custody of the Securities Depository or its designee.
- (2) Transfers of beneficial ownership of the Bonds will be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository ("Participants" include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, as well other organizations that clear through or maintain a custodial relationship with such organizations, either directly or indirectly).
- (3) Each Participant shall be credited in the records of the Securities Depository with the amount of such Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the Participant from which such Beneficial Owner purchased its Bonds. Transfers of

ownership interests in the Bonds shall be accomplished by book entries made by the Securities Depository and, in turn, by Participants acting on behalf of Beneficial Owners.

- (4) Unless otherwise provided herein, the Division, the Board of Governors, the Board of Administration, and the Bond Registrar/Paying Agent (as used in this section, the “State and its agents”) shall treat the Securities Depository as the sole and exclusive owner of the Bonds registered in its name for the purposes of:
 - (a) The payment of the principal of, premium, if any, and interest on the Bonds or portion thereof to be redeemed or purchased. Payments made to the Securities Depository of principal, premium, and interest shall be valid and effective to fully satisfy and discharge the Board of Governors’ obligations to the extent of the sums so paid;
 - (b) The giving any of notice permitted or required to be given to Registered Owners under this Resolution; and
 - (c) The giving of any direction or consent or the making of any request by the Registered Owners hereunder. The State and its agents may rely conclusively upon:
 - (i) a certificate of the Securities Depository as to the identity of the Participants with respect to the Bonds; and
 - (ii) a certificate of any such Participant as to the identity of and the respective principal amount of Bonds beneficially owned by, the Beneficial Owners.
- (5) The State and its agents shall have no responsibility or obligation to the Securities Depository, any Participant, any Beneficial Owner, or any other person which is not shown on the Bond Registrar with respect to:
 - (a) the accuracy of any records maintained by the Securities Depository or any Participant;
 - (b) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption or purchase price of or interest on any Bond;
 - (c) the delivery of any notice by the Securities Depository or any Participant;
 - (d) the selection of the Participants or the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or
 - (e) any consent given or any other action taken by the Securities Depository or any Participant.
- (6) The requirements in this Resolution of holding, delivering, or transferring Bonds shall be deemed modified to require the appropriate person to meet the requirements of the Securities Depository as to registering or transferring the book-entry Bonds to produce the same effect. Any provision hereof permitting or requiring delivery of the Bonds shall, while the Bonds are in book-entry only form, be satisfied by the notation thereof on the books of the Securities Depository in accordance with applicable state law.

(C) The Division may discontinue the book-entry system with the Securities Depository, subject to the terms of its agreement with such securities depository. In this event, the Division shall either identify another qualified securities depository or prepare and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

ARTICLE III
AUTHORIZATION OF THE 2024 PROJECT

SECTION 3.01. AUTHORIZATION OF THE 2024 PROJECT. The Board of Governors, FSUAA, and the University are authorized to acquire and construct the 2024 Project from the proceeds of the sale of the 2024 Bonds and other legally available funds, subject to the provisions of this Resolution and the applicable laws of the State.

ARTICLE IV
SECURITY FOR THE BONDS;
APPLICATION AND ADMINISTRATION OF PLEDGED REVENUES

SECTION 4.01. BONDS SECURED BY PLEDGED REVENUES. (A) The payment of principal of and interest on the Bonds shall be secured forthwith equally and ratably by a valid and enforceable senior lien on the Pledged Revenues to be received under this Resolution as provided for in Section 6.01 hereof, and such Pledged Revenues, except as may be required for payment of Rebate Amounts, are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds, as the same become due.

(B) The Bonds shall not be or constitute a general obligation of the State, or any political subdivision or instrumentality thereof, but shall be payable solely from the Pledged Revenues, as provided herein. No Registered Owner or Registered Owners of the Bonds shall ever have the right to compel the exercise of the taxing power of the State or any political subdivision or instrumentality thereof to pay such Bonds or the interest thereon or to be entitled to payment of such principal and interest from any other funds except such payments consisting of the Pledged Revenues, in the manner provided herein.

SECTION 4.02. APPLICATION OF PLEDGED REVENUES. (A) The Pledged Revenues shall be deposited, pursuant to the FSUAA Revenues Agreement, into the FSUAA Revenue Fund to be established by the University and held in a qualified public depository. Such fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of FSUAA, the University, and the Board of Governors, and used only for the purposes and in the manner provided in this Resolution.

(B) All revenues on deposit at any time in the FSUAA Revenue Fund shall be applied only in the following manner and order of priority:

- (1) First, no later than fifteen (15) days before each Interest Payment Date or Principal Payment Date, the University shall transfer to the Board of Administration an amount of money sufficient to be used as follows:
 - (a) to deposit into the Sinking Fund, or accounts therein, which is hereby created, until there is accumulated in said Sinking Fund an amount sufficient to pay the next installment of principal and/or interest to become due, including Amortization Installments.
 - (b) for payment of the Administrative Expenses.

- (c) to deposit into the Reserve Account in the Sinking Fund, which is hereby created, or subaccount(s) therein, an amount of money which, together with other moneys available for such purposes, equals the Reserve Requirement.

The moneys in the Reserve Account, or its subaccount(s), shall be used for the payments provided for in Section 4.02(B)(1)(a) and (b) above when the other moneys in the Sinking Fund are insufficient therefor. Any withdrawals from the Reserve Account, or its subaccount(s), shall be restored from the first moneys available therefor in the Sinking Fund after the required payments under Section 4.02(B)(1)(a) and (b) above have been made or provided for. Any unused portion of the moneys in the Reserve Account, or its subaccount(s), may be used by the Board of Administration to reduce the final installments of the Annual Debt Service Requirement becoming due on Bonds secured by such account or subaccount.

Notwithstanding the foregoing provisions, in lieu of the required deposits into the Reserve Account, the Board of Governors may at any time cause to be deposited into one or more subaccounts in the Reserve Account, one or more Reserve Account Credit Facilities for the benefit of the Registered Owners for which each subaccount has been established, in an amount which, together with sums on deposit, if any, equals the Reserve Requirement. In no event shall the use of such Reserve Account Credit Facilities be permitted if such use would cause, at the time of acquisition of such Reserve Account Credit Facility, an impairment in any existing rating on the Bonds or any Series of Bonds. The Reserve Account Credit Facilities shall be payable or available to be drawn upon, as the case may be, on or before any Interest Payment Date or Principal Payment Date on which a deficiency exists which cannot be cured by funds in any other account held for such Bonds pursuant to this Resolution and available for such purpose. If more than one Reserve Account Credit Facility is deposited into a subaccount in the Reserve Account, each Reserve Account Credit Facility shall be drawn upon in a proportion equal to its relative share of the amounts in such subaccount in the Reserve Account. If a disbursement is made under the Reserve Account Credit Facility, the Board of Governors shall be obligated, from the first Pledged Revenues available, to either reinstate such Reserve Account Credit Facility immediately following such disbursement to the amount required to be maintained in the applicable subaccount in the Reserve Account or to deposit into the applicable subaccount in the Reserve Account from the Pledged Revenues, as herein provided, funds in the amount of the disbursement made under such Reserve Account Credit Facility plus any amounts required to reimburse the Reserve Account Credit Facility provider for previous disbursements made pursuant to such Reserve Account Credit Facility, or a combination of such alternatives as shall equal the amount required to be maintained.

To the extent that the Board of Governors reinstates a Reserve Account Credit Facility or reimburses a Reserve Account Credit Facility Provider, such reinstatement or reimbursement shall be in proportion to the amounts drawn from the various Reserve Account Credit Facilities.

The Division shall cause to be established, and the Board of Administration shall establish, one or more specific subaccounts in the Reserve Account. Each subaccount may be established for one or more Series of Bonds. Each subaccount shall be available only to cure deficiencies in the accounts in the Sinking Fund with respect to the Series of Bonds for which such subaccount has been established, and no amounts in the other

subaccounts in the Reserve Account shall be available for such purpose. Such separate subaccount shall be established and designated in the resolution authorizing such Series of Bonds. Such resolution may also specify the method of valuation of the amounts held in such separate subaccount.

Any moneys in a subaccount in the Reserve Account in excess of the amount required to be maintained therein shall, to the extent permitted by the Code, first be used to cure any deficiency in any other subaccount in the Reserve Account and then for the purposes and in the priority established by this section; and

- (2) Second, the University shall transfer to the Board of Administration, for deposit into the Rebate Fund created by Section 6.03 of this Resolution, an amount of money sufficient to pay the Rebate Amount.
- (3) Third, any remaining balance not needed for the deposits referenced in Sections 4.01(B)(1) and (2) may be applied for any lawful purpose.

(C) If, on any payment date, the Pledged Revenues are insufficient to place the required amounts in any of the funds, accounts, or subaccounts as above provided, the deficiency shall be made up in subsequent payments in addition to the payments which would otherwise be required to be made into such funds, accounts, or subaccounts on the subsequent payment dates.

(D) The FSUAA Revenue Fund and the Sinking Fund shall constitute trust funds for the purposes provided herein for such funds. All of such funds shall be continuously secured in the same manner as deposits of State funds are required to be secured by the laws of the State.

SECTION 4.03. INVESTMENT OF FUNDS. Except insofar as such funds may be needed for any payment required to be made by the terms of this Resolution or the Bonds, and except as otherwise provided herein or in the FSUAA Revenues Agreement, moneys in any of the funds authorized or required by this Resolution may be invested and reinvested at any time as provided by Section 17.57 or 215.47, Florida Statutes, as amended, provided that such investment will not adversely affect the exemption from federal income taxation of interest on any of the Bonds. When so invested or reinvested, proceeds derived from the investment or reinvestment of such obligations shall be held for and credited to the fund, account, or subaccount for which said obligations were purchased except as otherwise provided in this Resolution; provided, however, that any such obligations purchased as investments for moneys in the Sinking Fund shall mature not later than the dates upon which such moneys will be needed for the payment of maturing principal and interest to be paid from said Sinking Fund.

ARTICLE V ADDITIONAL BONDS AND REFUNDING REQUIREMENTS

SECTION 5.01. ISSUANCE OF ADDITIONAL BONDS. The Division is authorized to issue Additional Bonds, but only upon the following terms, restrictions, and conditions:

(A) the Board of Governors, FSUAA, and the University must be current in all deposits into the various funds and accounts and all payment previously required to have been deposited or made by any of them under the provisions of this Resolution and the Board of Governors and the University must be currently in compliance with the covenants and provisions of this Resolution and any supplemental resolution hereafter adopted for the issuance of Additional Bonds, or upon the issuance of such Additional

Bonds, the Board of Governors, FSUAA, and the University will be brought into compliance with all such financial requirements, covenants, and provisions;

(B) the proceeds from such Additional Bonds shall be used to finance Project Costs of the Project(s), or to refund Outstanding Bonds or Prior Lien Obligations;

(C) the Board of Governors shall request the issuance of such Additional Bonds;

(D) certificates shall be executed by FSUAA, the University, the Board of Governors, or other appropriate State official setting forth:

- (1) the average annual amount of Pledged Revenues, excluding Capital Gifts and Donations Revenue, from the two Fiscal Years immediately preceding the issuance of the proposed Additional Bonds, and
- (2) the Annual Debt Service Requirement for each Fiscal Year on the Bonds then Outstanding and the Additional Bonds then proposed to be issued; and

(E) the average annual amount of Pledged Revenues, excluding Capital Gifts and Donations Revenue, for the two immediately preceding Fiscal Years, as certified by FSUAA, the University, the Board of Governors, or other appropriate State official pursuant to Section 5.01(D)(1) above, shall be equal to at least one hundred fifty percent (150%) of the Annual Debt Service Requirement in the current Fiscal Year and each Fiscal Year thereafter through the final maturity of the Bonds then Outstanding and the Additional Bonds then proposed to be issued.

SECTION 5.02. REFUNDING BONDS. The 2024 Bonds originally issued pursuant to this Resolution then Outstanding, together with all Additional Bonds issued and then Outstanding, may be refunded as a whole or in part in accordance with their terms. If the Annual Debt Service Requirement of the refunding Bonds in each Fiscal Year is equal to or less than the corresponding Annual Debt Service Requirement of the refunded Bonds, then the provisions of Section 5.01(D) and (E) of this Resolution shall not apply to the issuance of the refunding Bonds.

SECTION 5.03. ISSUANCE OF OTHER OBLIGATIONS OR CREATION OF ENCUMBRANCES. The Division of Bond Finance and the Board of Governors covenant that they will not issue any other obligations except Additional Bonds provided for in Section 5.01 hereof, refunding Bonds provided for in Section 5.02 hereof, or Completion Bonds provided for in Section 5.04 hereof, payable from the Pledged Revenues nor voluntarily create or cause to be created any other debt, lien, pledge, assignment, encumbrance, or other charge having priority to or being on a parity with the lien upon the Pledged Revenues securing the Bonds provided for in this Resolution. Any such other obligations hereafter issued by the Board of Governors, except for Additional Bonds, refunding Bonds, or Completion Bonds provided for in Sections 5.01, 5.02, or 5.04 hereof, respectively, shall contain an express statement that such obligations are junior and subordinate to the Bonds as to lien on and source and security for payment from such Pledged Revenues.

SECTION 5.04. COMPLETION BONDS. The Division may issue Completion Bonds. The Board of Governors and the Division need not comply with Section 5.01 of this Resolution in the issuance of Completion Bonds, provided that the net proceeds of such Completion Bonds available for deposit into the Project Construction Fund for the Project Costs shall be equal to or less than 20% of the original estimated Project Costs on the delivery date of the original Series of Bonds issued to finance the Project for which the Completion Bonds are being issued.

SECTION 5.05. NO ACCELERATION. The Bonds shall not be accelerated on account of any default on any payments required under this Resolution.

ARTICLE VI COVENANTS

SECTION 6.01. PLEDGE OF PLEDGED REVENUES. The Board of Governors hereby covenants and agrees with the Registered Owners of the Bonds that, so long as any of the Bonds, or interest thereon, are Outstanding and unpaid, all of the Pledged Revenues provided for in this Resolution shall be pledged to the payment of the principal of and interest on the Bonds and the payment of such other amounts as are provided for in this Resolution, in the manner provided for in this Resolution, and the Registered Owners of the Bonds shall have a valid and enforceable senior lien on such Pledged Revenues in the manner provided herein.

SECTION 6.02. PLEDGED REVENUE COVENANTS. Pursuant to section 1010.62(2)(b), Florida Statutes, the Board of Governors covenants:

(A) That it will cause the University and FSUAA, in preparing, approving, and adopting any budget controlling or providing for the expenditures of funds for each budget period, to allocate, allot, and approve, from Pledged Revenues and other available funds, the amounts sufficient to apply the Pledged Revenues as provided in this Resolution.

(B) That it will cause the University and FSUAA to collect the Pledged Revenues as provided for in Section 6.01 of this Resolution in the manner and at the times provided in this Resolution; that the Pledged Revenues will be applied in a manner that assures the availability of sufficient moneys for the full and timely payment of debt service on the Bonds; that it will cause the University and FSUAA to prioritize the full and timely payment of debt service on the Bonds over any other uses of the Pledged Revenues; and that it will otherwise duly and punctually perform and carry out all the covenants of the Board of Governors made herein and the duties imposed upon the Board of Governors by this Resolution.

(C) That it will prohibit the University and FSUAA from effectuating any amendment(s) or modification(s) to the FSUAA Revenues Agreement that would have an adverse effect on the interests of the bondholders of any bonds issued by the Board of Governors on behalf of FSUAA.

SECTION 6.03. COMPLIANCE WITH TAX REQUIREMENTS. (A) In addition to any other requirement contained in this Resolution, the Division, the Board of Governors, and the Board of Administration hereby covenant and agree, for the benefit of the Registered Owners from time to time of the Bonds issued subject to the provisions of the Code, that each will comply with the applicable requirements contained in Section 103 and Part IV of Subchapter B of Chapter 1 of the Code as shall be set forth in the non-arbitrage certificate of the Board of Governors dated and delivered on the date of delivery of each such Series of Bonds.

(B) Specifically, without intending to limit in any way the generality of the foregoing, the Division and the Board of Governors covenant and agree:

- (1) to pay or cause to be paid to the United States of America from the Pledged Revenues and any other legally available funds, at the times required pursuant to Section 148(f) of the Code, the Rebate Amount;
- (2) to maintain and retain or cause to be maintained and retained all records pertaining to and to be responsible for making or causing to be made all determinations and calculations of

the Rebate Amount and required payments of the Rebate Amount as shall be necessary to comply with the Code; and

- (3) to refrain from using proceeds from the Bonds in a manner that might cause any of the Bonds to be classified as private activity bonds under Section 141(a) of the Code; and
- (4) to refrain from taking any action that would cause any of the Bonds to become arbitrage bonds under Section 148 of the Code.

(C) The Board of Governors, the Division, and the Board of Administration understand that the foregoing covenants impose continuing obligations that will exist throughout the term of the issue to comply with the requirements of the Code.

(D) The Division and the Board of Governors covenant and agree that they shall maintain and retain, or cause to be maintained and retained, all records pertaining to each series of Series of Bonds, and they shall be responsible for making and having made all determinations and calculations of the Rebate Amount for each tax-exempt Series of Bonds issued hereunder for each Bond Year within 60 days after the end of such Bond Year and within 60 days after the final maturity of each such Series of Bonds. On or before the expiration of each such 60-day period, the Board of Governors shall deposit or direct the Board of Administration to deposit into the Rebate Fund, which is hereby created and established in the accounts of the Board of Administration, from investment earnings or moneys deposited into the other funds and accounts created hereunder, or from any other legally available funds of the Board of Governors, an amount equal to the Rebate Amount for such Bond Year. The Board of Administration shall use such moneys deposited in the Rebate Fund only for the payment of the Rebate Amount to the United States as required by Section 6.03 of this section, and as directed by the Board of Governors, which payments shall be made in installments, commencing not more than 60 days after the end of the fifth Bond Year and with subsequent payments to be made not later than five years after the preceding payment was due except that the final payment shall be made within 60 days after the final maturity of the last obligation of the Series of Bonds issued hereunder. In complying with the foregoing, the Division and the Board of Governors may rely on any instructions from a nationally recognized bond/tax counsel.

(E) Notwithstanding anything in this Resolution to the contrary, to the extent moneys on deposit in the Rebate Fund are insufficient for the purpose of paying the Rebate Amount and other funds of the Board of Governors are not available to pay the Rebate Amount, then the Board of Administration shall pay the Rebate Amount first from Pledged Revenues, and to the extent the Pledged Revenues are insufficient to pay the Rebate Amount, then from moneys on deposit in any of the funds and accounts created hereunder.

(F) If at any time the Division or the Board of Governors determines that the amount of money on deposit in the Rebate Fund is in excess of the Rebate Amount, the Division or the Board of Governors may direct the Board of Administration to transfer the amount of money in excess of the Rebate amount to FSUAA, for deposit into (i) the funds or accounts created hereunder to which such amount of money is attributable, or (ii) the FSUAA Revenue Fund.

(G) If any amount shall remain in the Rebate Fund after payment in full of all Bonds issued hereunder, and after payment in full to the United States of any Rebate Amount in accordance with the terms hereof, such amounts shall be paid over to FSUAA and may be used for other purposes authorized by law.

(H) The Rebate Fund shall be held separate and apart from all other funds and accounts of the Board of Governors and shall be subject to a lien in favor of the Registered Owners, but only to secure

payment of the Rebate Amount, and the moneys in the Rebate Fund shall be available for use only as herein provided.

(I) The Division, the Board of Administration, and the Board of Governors shall not be required to continue to comply with the requirements of this section in the event that the Division and the Board of Administration receive an opinion of nationally-recognized bond/tax counsel that (1) such compliance is no longer required in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, or (2) compliance with some other requirement will comply with the provisions of the Code in respect of arbitrage rebate, or in the event that any other agency is subsequently designed by proper authority to comply with the requirements of this section.

SECTION 6.04. CONTINUING DISCLOSURE. (A) If necessary to comply with Rule 15c2-12 of the Securities and Exchange Commission, the Board of Governors agrees to provide, to cause to be provided, such information as may be required from time to time, under such rule or any successor rule applicable to the Board of Governors.

(B) The Board of Governors or its duly appointed representative, in conjunction with the Director, is authorized and directed to execute and deliver any documents or agreements which are necessary to comply with the requirements of Rule 15c2-12 of the Securities and Exchange Commission or any successor rule applicable to the Board of Governors.

ARTICLE VII REMEDIES

SECTION 7.01. ENFORCEABILITY BY REGISTERED OWNERS. (A) This Resolution, including the pledge of the Pledged Revenues, shall be deemed to have been made for the benefit of the Registered Owners from time to time of the Bonds. Such pledge and all the provisions of this Resolution shall be enforceable in any court of competent jurisdiction by any Registered Owner or Registered Owners of such Bonds, against either the Board of Governors or the Board of Administration or any other agency of the State, or instrumentality thereof having any duties concerning collection, administration, and disposition of the Pledged Revenues. The Board of Governors does hereby consent to the bringing of any proceedings in any court of competent jurisdiction by any Registered Owner or Registered Owners of the Bonds for the enforcement of all provisions of this Resolution and does hereby waive, to the extent permitted by law, any privilege or immunity from suit which it may now or hereafter have as an agency of the State. However, no covenant or agreement contained in this Resolution or any Bond issued pursuant hereto shall be deemed to be the covenant or agreement of any officer or employee of the State in such person's individual capacity and neither the officers nor employees of the State nor any official executing any of the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

(B) Any Registered Owners of such Bonds, or any trustee acting for the Registered Owners of such Bonds, may by civil action in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the laws of the State, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution, and by any applicable Statutes, to be performed by the Division, the Board of Governors, FSUAA, or the Board of Administration, or by any officer thereof, including the payment of the Pledged Revenues payable under this Resolution. Other than as specifically provided herein, nothing herein shall be construed to grant to any Registered Owner of the Bonds any lien on any facility or funds of FSUAA, or the Board of Governors, or the Division.

(C) For purposes of exercising remedies pursuant to this section, the issuer of a Bond Insurance Policy shall be deemed the sole Registered Owner of Bonds it has insured, provided that the issuer of such Bond Insurance Policy has not failed to comply with its payment obligations under the Bond Insurance Policy and the ratings on the insured Bonds, based on the Bond Insurance Policy, are no lower than the “A” category by each Rating Agency which has rated such Bonds, including any rating modifiers.

ARTICLE VIII MISCELLANEOUS

SECTION 8.01. RESOLUTION NOT ASSIGNABLE. This Resolution shall not be assignable by the Division or the Board of Administration, except for the benefit of the Registered Owners.

SECTION 8.02. MODIFICATION OR AMENDMENT. (A) Except as otherwise provided in subsections (B) and (C) of this section, no material modification or amendment of this Resolution, or of any resolution amendatory thereof or supplemental thereto, may be made without the consent in writing of (i) the Registered Owners of more than fifty percent in principal amount of the Bonds then Outstanding or (ii) in case less than all of the Series of Bonds then Outstanding are affected by the modification or amendment, the Registered Owners of more than fifty percent in principal amount of the Bonds so affected and Outstanding at the time such consent is given; provided, however, that no modification or amendment shall permit a change in the maturity of such Bonds or a reduction in the rate of interest thereon or affecting the promise to pay the interest on and principal of the Bonds, as the same mature or become due, or reduce the percentage of Registered Owners of Bonds required above for such modification or amendments, without the consent of the Registered Owners of all the Bonds.

(B) For purposes of this section, except where the consent of all Registered Owners of a Series of Bonds is required, to the extent any Series of Bonds is insured by a Bond Insurance Policy and the insured rating on such Series of Bonds is then rated in as high a rating category as the rating category in which such Series of Bonds was rated at the time of initial delivery thereof by a Rating Agency, then the consent of the issuer of the Bond Insurance Policy shall constitute the consent of the Registered Owners of such Series.

(C) The Division may amend, change, modify, and alter this Resolution without the consent of the Registered Owners of Bonds:

- (1) to cure any defect, omission, conflict, or ambiguity in this Resolution or between the terms and provisions hereof and any other document executed or delivered herewith,
- (2) to provide other changes, including such changes as may be necessary in order to adjust the terms hereof, so as to facilitate the issuance of various types of Bonds which will not materially adversely affect the interest of such Registered Owners of Bonds,
- (3) to grant or confer upon the Registered Owners of Bonds any additional rights, remedies, powers, authority, or security (specifically including pledges of additional revenues) that may lawfully be granted to, or conferred upon, the Registered Owners,
- (4) to provide for the issuance of Bonds in coupon form if, in the opinion of a nationally recognized bond/tax counsel, such issuance will not affect the exemption from federal income taxation of interest on the Bonds,
- (5) to obtain credit enhancements or a higher rating in one of the three highest full rating categories of a Rating Agency,

- (6) to add to the covenants and agreements of the Division, the Board of Administration, or the Board of Governors in this Resolution, other covenants and agreements to be observed by the Division, the Board of Administration, or the Board of Governors which are not contrary to or inconsistent with this Resolution as theretofore in effect,
- (7) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the Division, the Board of Administration, or the Board of Governors which are not contrary to or inconsistent with this Resolution as theretofore in effect,
- (8) to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualifications of the Bonds for sale under the securities laws of any of the states of the United States of America,
- (9) to enable the Division, the Board of Administration, and the Board of Governors to comply with their covenants, agreements, and obligations under Section 6.03 of this Resolution,
- (10) to specify and determine any matters and things relative to the Bonds which are not contrary to or inconsistent with this Resolution and which shall not materially adversely affect the interests of the Registered Owners, and
- (11) to otherwise amend or modify any provisions of this Resolution so long as such amendment or modification does not materially adversely affect the interests of the Registered Owners.

SECTION 8.03. NONPRESENTMENT OF BONDS; FUNDS HELD FOR BONDS AFTER DUE DATE OF BONDS. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or otherwise, if funds sufficient to pay such Bond shall have been made available to the Board of Administration for the benefit of the Registered Owner thereof, all liability of the Board of Governors to the Registered Owner thereof for the payment of such Bond shall forthwith cease, terminate, and be completely discharged, and thereupon it shall be the duty of the Board of Administration to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bonds, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Resolution or on, or with respect to, said Bond. Any such funds held by the Board of Administration for the Registered Owners of such Bonds for seven years after the principal the respective Bonds for which such funds have been so set aside has become due and payable and remaining (whether at maturity or upon redemption or otherwise) shall be subject to the laws of the State relating to disposition of unclaimed property, and unless demand for the payment of such Bonds shall have been made, the obligation thereon shall be extinguished.

SECTION 8.04. DEFEASANCE. (A) The covenants, liens, and pledges entered into, created, or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to any of the Bonds in any one or more of the following ways:

- (1) by paying the principal of and interest on such Bonds when the same shall become due and payable;
- (2) by depositing with the Board of Administration, certain moneys which are irrevocably pledged to the payment of such Bonds and which, together with other moneys lawfully available therefor, shall be sufficient at the time of such deposit to pay when due the

principal of, redemption premium, if any, and interest due and to become due on such Bonds on or prior to the redemption date or maturity date thereof; or

- (3) by depositing with the Board of Administration, moneys which are irrevocably pledged to the payment of such Bonds and which, together with other moneys lawfully available therefor when invested in Defeasance Obligations, will provide moneys (principal and interest thereof at maturity) which shall be sufficient to pay the principal of, redemption premium, if any, and interest due and to become due on such Bonds on or prior to a date fixed for redemption or the maturity date thereof.

(B) Upon such payment or deposit in the amount and manner provided in Section 8.04(A) above, the Bonds with respect to which payments on deposit have been made shall be deemed to be paid and shall no longer be deemed to be Outstanding for the purposes of this Resolution and all liability of the Board of Governors and Division with respect to such Bonds shall cease, terminate, and be completely discharged and extinguished, and the Registered Owners thereof shall be entitled to payment solely out of the moneys or securities so deposited.

(C) Notwithstanding the foregoing, the covenants, liens, and pledges entered into, created, or imposed pursuant to this Resolution shall not be discharged and satisfied with respect to any of the Bonds with respect to which debt service has been paid pursuant to a Bond Insurance Policy, to the extent that the amount so paid has not been reimbursed to the issuer of such Bond Insurance Policy or monies have not been deposited as set forth herein to provide for payment of such amounts. The issuer of a Bond Insurance Policy shall be subrogated to the rights of the Registered Owners of Bonds to which it has made payments pursuant to such Bond Insurance Policy.

(D) All references to the discharge and satisfaction of Bonds shall include the discharge and satisfaction of any Series of Bonds, any portion of any Series of Bonds, any maturity or maturities of any Series of Bonds, any portion of a maturity of any Series of Bonds, or any combination thereof.

(E) If any portion of the moneys deposited for the payment of the principal of and redemption premium, if any, and interest on any portion of Bonds is not required for such purpose, FSUAA may use the amount of such excess which is not otherwise obligated under this Resolution, for any lawful purpose, free and clear of any trust, lien, security interest, pledge, or assignment securing said Bonds or otherwise existing under this Resolution.

(F) Nothing herein shall be deemed to require the Board of Governors or the Division to call any of the Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Board of Governors or the Division in determining whether to exercise any such options for early redemption.

SECTION 8.05. TRUST FUNDS. (A) The funds and accounts established by this Resolution and all moneys on deposit therein shall constitute trust funds for their respective purposes as provided herein. The Sinking Fund shall be held and administered by the Board of Administration, and such funds shall be fully and continuously secured in the manner provided by the laws of the State for the securing of deposits of State funds. The Registered Owners shall have a lien on moneys in the Sinking Fund, except the moneys in the Rebate Fund, until such moneys are used or applied as provided herein.

(B) The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for

application of such revenues as herein provided. Cash and investments required to be accounted for in each of the funds and accounts established by or pursuant to this Resolution may be deposited in a single bank account, provided that accounting records are maintained to reflect the moneys and investments therein and the receipts of and disbursements from such funds and accounts and the investment income earned therefrom.

SECTION 8.06. FISCAL AGENT. Upon sale and delivery of the Bonds by the Division on behalf of the Board of Governors, the Board of Administration shall act as the fiscal agent for the Board of Governors with respect to the Bonds.

SECTION 8.07. SUBSTITUTE FOR MAILING. If, because of the temporary or permanent suspension of postal services, any person shall be unable to mail any notice required to be given by the provisions of this Resolution, such person shall give notice in such other manner as in its judgment shall most effectively approximate such mailing; the giving of such notice in such manner shall for all purposes of this Resolution be deemed to be in compliance with the requirement for the mailing thereof.

SECTION 8.08. INSTRUMENTS OF REGISTERED OWNERS. Any writing, including without limitation, any consent, request, direction, approval, objection, or other instrument or document, required under this Original Resolution to be executed by any Registered Owner may be in any number of concurrent writings of similar tenor and may be executed by that Registered Owner in person or by an attorney-in-fact appointed in writing. Proof of (i) the execution of any writing, (ii) the execution of any writing appointing any attorney-in-fact, and (iii) the ownership of Bonds, shall be sufficient for any of the purposes of this Resolution, if made in the following manner, and if so made, shall be conclusive in favor of FSUAA, the University, the Division, the Board of Governors, and the Board of Administration, with regard to any action taken thereunder, namely: (a) the fact and date of the execution by any person of any writing may be proved by the certificate of any officer in any jurisdiction, who has the power by law to take acknowledgments within that jurisdiction, that the person signing the writing acknowledged that execution before that officer, or by affidavit of any witness to that execution; and (b) the fact of ownership of Bonds of any Series shall be proved by the Bond Registrar/Paying Agent for such Series.

SECTION 8.09. VALIDATION AUTHORIZED. The attorneys for the Division are hereby authorized, but not required, to institute proceedings to validate the Bonds, pursuant to Chapter 75, Florida Statutes, as amended.

SECTION 8.10. GOVERNING LAW. The laws of the State shall govern the construction of this Resolution and of all Bonds issued hereunder.

SECTION 8.11. SURVIVAL OF CERTAIN PROVISIONS. Notwithstanding the foregoing, any provisions of this Resolution which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory redemption requirements, exchange, transfer, and registration of Bonds, replacement of mutilated, destroyed, lost, or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, the calculation of the Rebate Amount and the paying of the Rebate Amount to the United States, shall remain in effect and be binding upon the Division, the Board of Governors, the Bond Registrar/Paying Agent, and the Registered Owners notwithstanding the release and discharge of the lien and pledge of this Resolution or any subsequent resolution. The provisions of this section shall survive the release, discharge, and satisfaction of this Resolution or any subsequent resolution.

SECTION 8.12. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any

reason whatsoever be held invalid, then such covenants or provisions shall be null and void and shall be deemed separable from the remaining covenants or provisions of this Resolution or of the Bonds and shall in no way affect the validity or enforceability of any other covenants, agreements, or provisions of this Resolution or of the Bonds issued hereunder.

SECTION 8.13. REPEAL OF INCONSISTENT RESOLUTIONS. All resolutions and parts of resolutions heretofore adopted pertaining to the subject matter of this Resolution, to the extent that they are inconsistent with this Resolution, are hereby repealed, revoked, and rescinded, but only to the extent of any such inconsistencies.

SECTION 8.14. DIRECTOR'S AUTHORITY TO MODIFY SECTION 5.01. Notwithstanding other provisions of this Resolution, the Director of the Division is specifically authorized to modify Section 5.01 of this Resolution to adjust upward the average annual amount of Pledged Revenues required to issue Additional Bonds from one hundred fifty percent (150%) of the Annual Debt Service Requirement to an amount not to exceed two hundred percent (200%) of the Annual Debt Service Requirement; provided, however, that such adjustment may only be made to address credit rating considerations and must be evidenced by a certificate to be executed by the Director prior to the sale of the initial Series of Bonds.

SECTION 8.15. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

ARTICLE II AUTHORIZATION, TERMS, EXECUTION, REGISTRATION, TRANSFER, ISSUANCE OF BONDS

SECTION 2.01. AUTHORIZATION OF THE 2024A BONDS. (A) Subject and pursuant to the provisions of the Resolution, fully registered revenue bonds of the Board of Governors to be known as “State of Florida, Board of Governors, Florida State University Athletics Association Revenue Bonds, Series 2024A,” or such other designation as may be determined by the Director, are hereby authorized to be issued and to be sold by competitive sale by the Division in an aggregate principal amount not exceeding \$265,000,000, for the purpose of financing all or a portion of the 2024A Project. Such 2024A Bonds may be sold and issued in one or more Series, and in combination with other Additional Bonds; provided that the actual designation of any such Series, whether sold in one or more than one Series (including a change of year designation, if desirable), and whether such Bonds or any portion thereof are to be taxable or tax-exempt, shall be determined by the Director.

(B) The Director is hereby authorized to determine the most advantageous date and time of sale and to provide notice pursuant to applicable law of such sale, at a time and in such manner as determined by the Director to be appropriate to provide adequate notice to potential bidders; provided, that if no bids are received, or if all bids received are rejected, such 2024A Bonds may again be offered for sale upon reasonable notice, the timing and manner of which shall be determined by the Director. Bids for the purchase of the 2024A Bonds will be received at the office of the Division or at another location designated in the Notice of Bond Sale, until the time and date of sale determined by the Director.

(C) The Director is hereby authorized to publish and distribute a Notice of Bond Sale and a proposal for the sale of the 2024A Bonds. The Notice of Bond Sale shall be in such form as shall be determined by the Director and shall contain such information as is consistent with the terms of the Resolution which the Director determines is in the best financial interest of the State. Any prior publication or distribution of a Notice of Bond Sale, or short form thereof, and proposal for sale is hereby ratified.

(D) The Director is hereby authorized to prepare and distribute disclosure documentation in connection with the offering of the 2024A Bonds, including preliminary and final official statements if a public offering. The Director is further authorized and directed to amend, supplement, or complete the information contained in the disclosure documentation, as may be needed, and to furnish such certification as to the completeness and finality of the preliminary official statement as is necessary to permit the successful bidder to fulfill its obligations under any applicable securities laws. The Chairman and Secretary

of the Governing Board and the Director are hereby authorized to execute the final official statement in connection with the offering of the 2024A Bonds, and the execution thereof by any of the authorized individuals shall be conclusive evidence that the Governing Board has approved the form and content of the final official statement and that the final official statement is complete as of its date.

(E) The Director is hereby authorized to cause as many copies as he determines to be necessary of the disclosure documentation, including preliminary and final official statements, relating to the competitive offering of the 2024A Bonds to be prepared and distributed; to contract with national rating agencies and providers of municipal bond insurance and reserve account credit facilities; to retain bond counsel; to make a determination that the preliminary and final official statements are “deemed final” for purposes of Rule 15c2-12(b)(1) of the Securities and Exchange Commission; to conduct information meetings; and to take such other actions as may be deemed appropriate for the dissemination of information relating to the sale of the 2024A Bonds. Any prior printing and distribution of disclosure documentation, including a preliminary official statement, is hereby ratified.

(F) The Secretary or any Assistant Secretary of the Governing Board is hereby authorized and empowered to award said 2024A Bonds when offered, on his or her determination of the best proposal, as defined in the Notice of Bond Sale, submitted in accordance with the terms of the Notice of Bond Sale provided for herein, and such award shall be final. The Director or any Assistant Secretary of the Governing Board shall report such sale to the Governing Board after award of the 2024A Bonds. The Secretary or any Assistant Secretary of the Governing Board is authorized to deliver such 2024A Bonds to the purchasers thereof upon payment of the purchase price, together with any accrued interest to the date of delivery, and to distribute the proceeds of the 2024A Bonds as provided by this First Supplemental Resolution and other proceedings authorizing the issuance of the 2024A Bonds.

(G) The 2024A Bonds shall be executed in the name of the Board of Governors by its Chair or by such other authorized person. Any of the signatures required herein may be a facsimile signature imprinted or reproduced on the 2024A Bonds. In case any one or more of the officers who shall have signed any of the 2024A Bonds shall cease to be such officer before the 2024A Bonds so signed and sealed shall have been actually sold and delivered, the 2024A Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such 2024A Bonds had not ceased to hold office.

(H) A certificate as to the approval of the issuance of the 2024A Bonds shall be executed by the manual or facsimile signature of the Secretary of the Governing Board, an Assistant Secretary, or by such other authorized person as provided by law.

(I) U.S. Bank Trust Company, National Association, or its successor, is hereby designated as Bond Registrar/Paying Agent for the 2024A Bonds on the terms and conditions set forth in the Registrar, Paying Agent and Transfer Agreement by and between the State Board of Administration of Florida and U.S. Bank Trust National Association (now U.S. Bank Trust Company, National Association), and its successor.

(J) The Interest Payment Dates and the Principal Payment Dates for the 2024A Bonds shall be as set forth in the Notice of Bond Sale. Interest on the 2024A Bonds shall be paid by check or draft mailed on the Interest Payment Date (or, in certain cases, may be paid by wire transfer at the election of a Registered Owner other than a securities depository, in the manner and under the terms provided for in the Registrar, Paying Agent and Transfer Agreement by and between the Board of Administration and the Bond Registrar/Paying Agent, provided that such Registered Owner advances to the Bond Registrar/Paying Agent the amount, if any, necessary to pay the wire charges or authorizes the paying agent to deduct the amount of such payment) to the Registered Owner thereof as of 5:00 pm Eastern Time on the Record Date shown on the registration books maintained by the Bond Registrar/Paying Agent for the 2024A Bonds.

(K) The 2024A Bonds shall be dated, shall mature in such years and amounts, and shall bear interest commencing on such date as set forth in the Notice of Bond Sale, a copy of which, as published, shall be retained in the files of the Division with this First Supplemental Resolution. The 2024A Bonds shall be issued in denominations of \$1,000 or any integral multiple thereof unless otherwise provided in the Notice of Bond Sale. The 2024A Bonds shall be payable at the corporate trust office of the Bond Registrar/Paying Agent, or its successor. The Bonds will bear interest at the interest rate specified by the successful bidder, calculated based on a 360-day year consisting of twelve 30-day months.

(L) The 2024A Bonds shall be subject to redemption as provided in the Notice of Bond Sale. The Notice of Bond Sale shall contain such redemption provisions as shall be determined by the Director to be in the best financial interest of the State. Upon election by the successful bidder as provided in the Notice of Bond Sale, a portion of the 2024A Bonds identified in such election may be designated as Term Bonds. Additionally, in lieu of mailing the notice of redemption, the Bond Registrar/Paying Agent may elect to provide such notice by electronic means to any Registered Owner who has consented to such method of receiving notices.

(M) The Reserve Requirement for the 2024A Bonds shall be an amount determined by the Director prior to the issuance of the 2024A Bonds, which amount may be zero and which shall not exceed the maximum amount permitted pursuant to the Original Resolution. The Reserve Requirement, if any, for the 2024A Bonds shall be funded with proceeds of the 2024A Bonds, a Reserve Account Credit Facility, or some combination thereof, as determined by the Director. The Reserve Requirement for the 2024A Bonds shall be deposited, as determined by the Director, in a subaccount in the Reserve Account which is hereby established for the 2024A Bonds. Amounts on deposit in any subaccount in the Reserve Account may be commingled with the amounts deposited for Bonds of additional series which are secured thereby, shall be held for the benefit of the Registered Owners of only such Bonds as may be specifically secured by the Reserve Account, and shall be applied in the manner provided in the Resolution.

(N) Any portion of the 2024A Bonds may be issued as a separate Series of Bonds, provided that the Bonds of each Series shall be numbered consecutively from one upward. The 2024A Bonds referred to herein may be sold separately or combined with any other Additional Bonds authorized to be sold.

(O) The Director is hereby authorized to offer for sale a lesser principal amount of 2024A Bonds than that set forth in this First Supplemental Resolution and to adjust the maturity schedule and redemption provisions for the 2024A Bonds, if necessary, to reflect the issuance of such lesser amount, and to modify the Notice of Bond Sale as may be required. Any portion of the 2024A Bonds not offered shall remain authorized to be offered at a later date.

(P) The Director is authorized to provide in the Notice of Bond Sale of the 2024A Bonds that the purchase price for the 2024A Bonds may include a discount of not to exceed three percent (3%), excluding original issue discount, if any, of the aggregate principal amount of such Bonds offered for sale.

(Q) The Chairman, Secretary, and any Assistant Secretary of the Governing Board, the Director, and such other officers and employees of the Division as may be designated by the Governing Board as agents of the Division in connection with the issuance and delivery of the 2024A Bonds, are authorized and empowered, collectively and individually, to take all actions and steps, to execute all instruments, documents, and contracts, and to take all other action on behalf of the Division, as they may deem necessary or desirable, in connection with the execution and delivery of the 2024A Bonds.

(R) Notwithstanding anything contained in the Resolution to the contrary, it is the intent of the Governing Board that interest on any 2024A Bonds which are issued as tax-exempt 2024A Bonds be and

remain excluded from gross income for federal income tax purposes, and therefore comply with all requirements of federal tax law applicable to such tax-exempt 2024A Bonds, whether such requirements are now in effect, pending, or subsequently enacted. The 2024A Bonds may be issued as either tax-exempt or taxable bonds as may be determined by the Director. The Division is hereby authorized and directed to take all actions necessary with respect to the 2024A Bonds to comply with such requirements of federal tax law.

ARTICLE III APPLICATION OF PROCEEDS

SECTION 3.01. CONSTRUCTION OF THE 2024A PROJECT. The Board of Governors, FSUAA, and the University are authorized to acquire and construct the 2024A Project from the proceeds of the sale of the 2024A Bonds and other legally available funds, subject to the provisions of the Resolution and the applicable laws of the State.

SECTION 3.02. APPLICATION OF 2024A BOND PROCEEDS. (A) Upon receipt of the proceeds derived from the sale of the 2024A Bonds, the Division shall transfer and apply such proceeds as follows:

(1) first, the amount necessary to pay all costs and expenses of the Division (to the extent permitted by the Code) in connection with the preparation, issuance, and sale of the 2024A Bonds, including, but not limited to, a reasonable charge for the services of the Division for its services and for arbitrage rebate compliance program set-up, shall be transferred to the Division and deposited in the Bond Fee Trust Fund.

(2) second, any accrued interest and capitalized interest on the 2024A Bonds shall be transferred to the Board of Administration and deposited in the Sinking Fund and used for the payment of interest on the 2024A Bonds.

(3) third, an amount which, together with other moneys which may be available therefor and on deposit in the Reserve Account, is necessary to fund the Reserve Requirement shall be transferred to the Board of Administration and deposited in the applicable subaccount in the Reserve Account within the Sinking Fund. Alternatively, the Division, as provided in Section 4.02 of the Original Resolution, may elect at any time to provide in lieu of all or a portion of such funds a Reserve Account Credit Facility in an amount equal to the difference between the Reserve Requirement and the sums then on deposit in the applicable subaccount in the Reserve Account. Notwithstanding the above, the Reserve Account for the 2024A Bonds may be held outside of the Board of Administration as determined by the Director of the Division.

(B) After making the transfers provided for in Section 3.02(A) above, the balance of the proceeds of the 2024A Bonds shall be transferred to and deposited in a separate trust fund, known as the 2024A Project Construction Fund or such other designation as may be determined by the Director of the Division, which is hereby created, and used for payment of Project Costs of the 2024A Project. All or a portion of the 2024A Project Construction Fund may be held within or outside of the State Treasury as determined by the Director of the Division.

(C) Any unexpended balance remaining in the 2024A Project Construction Fund, after a consulting architect shall certify that the 2024A Project has been completed and all Project Costs thereof paid or payment provided for, shall be either (i) applied to any Projects authorized by supplemental resolution or (ii) deposited in the Sinking Fund and used for the purposes set forth therein, unless otherwise requested

by the Board of Governors, provided that each such application will not adversely affect the exemption from federal income taxation of interest on any of the 2024A Bonds.

(D) In addition to the aforementioned proceeds of the 2024A Bonds, if necessary, the Board of Governors covenants that it will cause FSUAA to deposit into the 2024A Project Construction Fund additional funds legally available for the purposes of such fund which, together with the proceeds of the 2024A Bonds, will be sufficient to finance the total Project Cost of the 2024A Project. Any such additional funds, other than the proceeds of the 2024A Bonds or Completion Bonds, shall be derived from sources and in a manner which will not jeopardize the security of the 2024A Bonds issued pursuant to the Resolution.

(E) All moneys in the 2024A Project Construction Fund shall constitute a trust fund for such purposes and there is hereby created a lien upon such funds in favor of the Registered Owners of the 2024A Bonds issued pursuant to the Resolution, until such funds are applied as provided herein, except to the extent such moneys are required for the payment of any Rebate Amount, and all moneys in such fund shall be continuously secured in the manner now provided by the laws of the State for securing deposits of state funds.

SECTION 3.03. INVESTMENT OF 2024 PROJECT CONSTRUCTION FUND. Any moneys in the 2024A Project Construction Fund not immediately needed for the purposes provided in the Resolution may be temporarily invested and reinvested as provided in Sections 17.57 or 215.47, Florida Statutes, provided that such investment will not adversely affect the exemption from federal income taxation of interest on any of the 2024A Bonds.

ARTICLE IV SECURITY FOR THE 2024A BONDS

SECTION 4.01. 2024 BONDS ON A PARITY WITH THE OUTSTANDING BONDS. The 2024A Bonds shall be issued pursuant to Article II of the Original Resolution and, to the extent any Bonds are Outstanding, shall be subject to the provisions of Sections 5.01 of the Original Resolution governing the issuance of Additional Bonds thereunder. (O) The Director is hereby authorized to offer for sale a lesser principal amount of 2024C Bonds than that set forth in this Second Supplemental Resolution and to adjust the maturity schedule and redemption provisions for the 2024C Bonds, if necessary, to reflect the issuance of such lesser amount, and to modify the Notice of Bond Sale as may be required. Any portion of the 2024C Bonds not offered shall remain authorized to be offered at a later date.

(P) The Director is authorized to provide in the Notice of Bond Sale of the 2024C Bonds that the purchase price for the 2024C Bonds may include a discount of not to exceed three percent (3%), excluding original issue discount, if any, of the aggregate principal amount of such Bonds offered for sale.

(Q) The Chairman, Secretary, and any Assistant Secretary of the Governing Board, the Director, and such other officers and employees of the Division as may be designated by the Governing Board as agents of the Division in connection with the issuance and delivery of the 2024C Bonds, are authorized and empowered, collectively and individually, to take all actions and steps, to execute all instruments, documents, and contracts, and to take all other action on behalf of the Division, as they may deem necessary or desirable, in connection with the execution and delivery of the 2024C Bonds.

(R) Notwithstanding anything contained in the Resolution to the contrary, it is the intent of the Governing Board that interest on any 2024C Bonds which are issued as tax-exempt 2024C Bonds be and remain excluded from gross income for federal income tax purposes, and therefore comply with all requirements of federal tax law applicable to such tax-exempt 2024C Bonds, whether such requirements are now in effect, pending, or subsequently enacted. The 2024C Bonds may be issued as either tax-exempt or taxable bonds as may be determined by the Director. The Division is hereby authorized and directed to take all actions necessary with respect to the 2024C Bonds to comply with such requirements of federal tax law.

ARTICLE III APPLICATION OF PROCEEDS

SECTION 3.01. CONSTRUCTION OF THE 2024C PROJECT. (1) first, the amount necessary to pay all costs and expenses of the Division (to the extent permitted by the Code) in connection with the preparation, issuance, and sale of the 2024C Bonds, including, but not limited to, a reasonable charge for the services of the Division for its services and for arbitrage rebate compliance program set-up, shall be transferred to the Division and deposited in the Bond Fee Trust Fund.

(2) second, any accrued interest and capitalized interest on the 2024C Bonds shall be transferred to the Board of Administration and deposited in the Sinking Fund and used for the payment of interest on the 2024C Bonds.

(3) third, an amount which, together with other moneys which may be available therefor and on deposit in the Reserve Account, is necessary to fund the Reserve Requirement shall be transferred to the Board of Administration and deposited in the applicable subaccount in the Reserve Account within the Sinking Fund. Alternatively, the Division, as provided in Section 4.02 of the Original Resolution, may elect at any time to provide in lieu of all or a portion of such funds a Reserve Account Credit Facility in an amount equal to the difference between the Reserve Requirement and the sums then on deposit in the applicable subaccount in the Reserve Account. Notwithstanding the above, the Reserve Account for the 2024C Bonds may be held outside of the Board of Administration as determined by the Director of the Division.

(B) After making the transfers provided for in Section 3.02(A) above, the balance of the proceeds of the 2024C Bonds shall be transferred to and deposited in a separate trust fund, known as the 2024C Project Construction Fund or such other designation as may be determined by the Director of the Division, which is hereby created, and used for payment of Project Costs of the 2024C Project. All or a portion of the 2024C Project Construction Fund may be held within or outside of the State Treasury as determined by the Director of the Division.

(C) Any unexpended balance remaining in the 2024C Project Construction Fund, after a consulting architect shall certify that the 2024C Project has been completed and all Project Costs thereof paid or

payment provided for, shall be either (i) applied to any Projects authorized by supplemental resolution or (ii) deposited in the Sinking Fund and used for the purposes set forth therein, unless otherwise requested by the Board of Governors, provided that each such application will not adversely affect the exemption from federal income taxation of interest on any of the 2024C Bonds.

(D) In addition to the aforementioned proceeds of the 2024C Bonds, if necessary, the Board of Governors covenants that it will cause FSUAA to deposit into the 2024C Project Construction Fund additional funds legally available for the purposes of such fund which, together with the proceeds of the 2024C Bonds, will be sufficient to finance the total Project Cost of the 2024C Project. Any such additional funds, other than the proceeds of the 2024C Bonds or Completion Bonds, shall be derived from sources and in a manner which will not jeopardize the security of the 2024C Bonds issued pursuant to the Resolution.

(E) All moneys in the 2024C Project Construction Fund shall constitute a trust fund for such purposes and there is hereby created a lien upon such funds in favor of the Registered Owners of the 2024C Bonds issued pursuant to the Resolution, until such funds are applied as provided herein, except to the extent such moneys are required for the payment of any Rebate Amount, and all moneys in such fund shall be continuously secured in the manner now provided by the laws of the State for securing deposits of state funds.

SECTION 3.03. INVESTMENT OF 2024C PROJECT CONSTRUCTION FUND. Any moneys in the 2024C Project Construction Fund not immediately needed for the purposes provided in the Resolution may be temporarily invested and reinvested as provided in Sections 17.57 or 215.47, Florida Statutes, provided that such investment will not adversely affect the exemption from federal income taxation of interest on any of the 2024C Bonds.

WHEREAS, by a resolution adopted on November 9, 2023, the Board of Governors has requested the Division to issue revenue bonds to finance the acquisition and construction of the Project in the form of a loan through the HBCU Capital Financing Program and a promissory note evidencing such loan in a maximum aggregate principal amount not exceeding \$102,995,000 (the "HBCU Loan"), and to take such other steps as may be needed for the University to enter into the HBCU Loan;

WHEREAS, the Legislature has authorized the use of moneys due to the University from the federal government for the payment of grants and contracts to pay debt service on revenue bonds only as required through the HBCU Capital Financing Program; and

WHEREAS, the University desires to pledge certain housing system revenues and other funds of the University permitted by law as security for the HBCU Loan.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNOR AND CABINET OF THE STATE OF FLORIDA, AS THE GOVERNING BOARD OF THE DIVISION OF BOND FINANCE OF THE STATE BOARD OF ADMINISTRATION OF FLORIDA:

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution (hereinafter referred to as the "Resolution") is adopted pursuant to the provisions of Article VII, Section 11(d) of the Florida Constitution; Sections 215.57-215.83, Florida Statutes, (the "State Bond Act"); Section 1010.62, Florida Statutes, and other applicable provisions of law.

SECTION 2. AUTHORIZATION OF THE HBCU LOAN. Subject and pursuant to the provisions of this Resolution, the Governing Board of the Division of Bond Finance of the State Board of Administration of

(A) The principal of and interest on the HBCU Loan shall be payable from and secured by a valid and enforceable senior lien on the net revenues of the housing system; if such funds are insufficient, the HBCU Loan may also be paid from moneys due to the University from the federal government for the payment of grants and contracts, if required by the HBCU Capital Financing Program, as provided by Section 1010.62, Florida Statutes.

(B) The HBCU Loan will not be secured by the full faith and credit of the State of Florida or any political subdivision or instrumentality thereof, the Board of Governors, or the University. The HBCU loan shall not constitute a general obligation or pledge of the taxing power of the State of Florida or any political subdivision or instrumentality thereof, the Board of Governors, or the University and shall not compel the exercise of the taxing power of the State or any political subdivision or instrumentality thereof. The HBCU Loan shall be payable solely from the revenues identified in (A), above; provided, however, that nothing herein contained shall preclude the University from using any legally available funds, in addition to the pledged revenues, which may come into its possession for the payment of principal of and interest on the HBCU Loan, or the purchase or redemption of such HBCU Loan in accordance with the provisions of this Resolution.

(C) The HBCU Loan may be entered into in one or more series or installments, but each series or installment shall have a maximum term of thirty (30) years. If issued in series, each series shall be dated and have an identifying number or letter and shall rank equally as to source and security for payment.

(D) The HBCU Loan may contain a rate covenant requiring the University to set rates and charges for the housing system so that the net revenues of the housing system are equal to at least one hundred and twenty percent (120%) of the required annual payment of principal of and interest on all long-term debt of the University secured by the net revenues of the housing system, including the HBCU Loan or such higher amount as may be required by the HBCU Capital Financing Program.

SECTION 4. AUTHORIZATION TO EXECUTE AND DELIVER HBCU LOAN FINANCING DOCUMENTS. SECTION 6. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the provisions of this Resolution or the HBCU Loan shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held

invalid, then such covenants or provisions shall be null and void and shall be deemed separable from the remaining covenants or provisions of this Resolution or the HBCU Loan.

Loan Payments shall be deemed paid at the time the corresponding payments of principal and interest are paid on the Series A 2024-1 Bond to the extent that such payments on the Series A 2024-1 Bond are attributable to Loan Deposits or investment earnings thereon.

Section 2.7. Absolute Obligation to Pay. The obligation of the Borrower to pay all of the principal of, and interest on, the Loan and to pay all of the Obligations from the sources herein provided shall be absolute and unconditional, shall be binding and, to the extent permitted by law, enforceable in all circumstances whatsoever and shall not be subject to set off, recoupment or counterclaim. This Agreement and the Loan shall be a limited obligation of the Borrower, payable by the Borrower solely out of and secured by the Student Housing Net Revenues. This Agreement shall not be deemed to constitute a general debt or a pledge of the faith and credit or taxing power of the State or any of its agencies, the Board of Governors, or the University or its Board of Trustees, and the full faith and credit of the State or any of its agencies, the Board of Governors, or the University or its Board of Trustees is not pledged to the payment of the principal of, premium, if any, or interest on the Series A 2024-1 Bond. The issuance of the Series A 2024-1 Bond does not, directly or indirectly, obligate the State to use state funds, other than the Student Housing Net Revenues, to levy or to pledge any form of taxation whatsoever or to make any appropriation for its payment. Nothing contained in this Section, however, shall relieve the

Borrower from the observance and performance of the covenants and agreements on its part contained herein or in the Series A 2024-1 Bond.

Section 2.8. Optional Prepayment. The Borrower may prepay the Loan in whole or in part, at any time that the Series A 2024-1 Bond is pre-payable pursuant to Section 6.1 of the Supplemental Indenture but subject to the conditions that:

(a) the Borrower has given the Lender and the Trustee written notice of its intention to prepay the Loan, specifying the amount of the prepayment, the Series A 2024-1 Bond to which such prepayment relates and the date of prepayment, at least ten (10) Business Days prior to the date of prepayment; and

(b) the Borrower pays to the Trustee, on behalf of the Lender, on the date of prepayment an amount equal to the premium, if any, required to be paid on the Series A 2024-1 Bond that is called as a result of such prepayment as well as any expenses due under any Loan Document.

The Borrower will be obligated to prepay the Loan in accordance with the terms and conditions of this Section 2.8 if it gives a prepayment notice as provided above, unless the Borrower delivers a written notice rescinding its prepayment notice before 3:30 p.m. (Washington, D.C. time), three (3) Business Days before the date of prepayment, and the Lender thereupon rescinds its prepayment notice (with respect to the respective Series A 2024-1 Bond that the Lender issued to fund the Loan to the Borrower) before 3:30 p.m. (Washington, D.C. time) two (2) Business Days before the date of prepayment. All amounts prepaid and allocable to principal will be applied to the principal payments due on the Loan in the inverse order of maturity. If the Borrower prepays the Loan in full, all amounts outstanding under this Agreement or under any other Loan Document will be due and payable on the date of prepayment.

In the event the Borrower shall give timely and proper notice rescinding its prepayment notice under this Section 2.8, the Lender shall indemnify and hold the Borrower harmless from and against any and all claims, demands, liabilities, expenses or costs of any kind, incurred as a result of Lender's failure to properly rescind its prepayment notice.

Section 2.9. Use of Proceeds of the Loan Prepayment. The Lender and the Borrower agree that the proceeds received by the Lender as a result of a prepayment of the Loan pursuant to Section 2.8 above shall be used to call the Series A 2024-1 Bond pursuant to Section 6.1 of the Supplemental Indenture and Article VII of the Indenture.

Section 2.10. Usury. Notwithstanding anything to the contrary contained in this Agreement, all rates of interest chargeable pursuant to this Agreement will not exceed the maximum rate of interest permitted by applicable law.

Section 2.11. Punctual Payment. The Borrower agrees to pay Loan Deposits and Loan Payments to the Lender on the applicable Loan Deposit Dates and Loan Payment Dates and to pay any other amounts payable hereunder, or under any Loan Document, punctually on the date and at the times and to the persons agreed to hereunder or under any Loan Document.

Section 2.12. Use of Loan Proceeds. The Borrower agrees to use the proceeds of the Loan solely to pay or refinance Costs of the Project, including Costs of Issuance, and to deposit amounts equal

to the Series A 2024-1 Bond Escrow Requirement into the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) as provided in Section 2.13 hereof.

Section 2.13. Escrow Fund. The Borrower hereby acknowledges and agrees that, in connection with each disbursement of funds that is made or caused to be made under the Loan to pay Costs of the Project, an amount of funds equal to the applicable Series A 2024-1 Bond Escrow Requirement will be disbursed or caused to be disbursed under the Loan for deposit into the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1), unless the Borrower has elected to make a deposit in such amount from its own funds. Each disbursement of the funds under the Loan to pay Costs of the Project, together with the related disbursement of funds to the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) in an amount equal to the Series A 2024-1 Bond Escrow Requirement for deposit to the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1), shall constitute one (1) Advance under the Loan. Moneys in the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) and in the other accounts and subaccounts established under other supplemental indentures will be applied as provided in the Indenture. If, as a result of a payment default under this Agreement, a deficiency occurs in the Florida Agricultural and Mechanical University Debt Service Account (Series A 2024-1) causing a draw on the Escrow Fund, the Borrower will replenish the Escrow Fund on or before the next Loan Deposit Date.

Amounts on deposit in the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) will be examined by the Trustee at least once during each twelve (12) month period. If the balance (based on the fair market value of any investments on deposit therein) of the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) exceeds an amount equal to five percent (5%) of the then outstanding principal balance of the Loan, then the amount of such excess will be returned to the Borrower. Following the payment in full by the Borrower of all amounts owed on account of the Loan and all other amounts owed under any Loan Document, the balance of the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) will be promptly returned to the Borrower as provided in the Indenture.

Section 2.14. Federal Insurance. If a default under this Agreement results in a draw on the Department Insurance, the Borrower shall repay such amount to the Secretary on demand in writing. Any such payment by the Borrower to the Secretary shall constitute a credit against amounts due and unpaid under this Agreement and such credit shall be applied in the same priority set forth in Section 2.6 hereof.

Section 2.15. Security Interest in Student Housing Net Revenues. As security for the obligation of the Borrower to make all payments due, and to perform all obligations, under this Agreement, the Note and any other Loan Documents, and for the benefit and security of all Bonds issued on behalf of the Borrower under the Indenture, the Borrower grants to the Lender a first lien on and security interest in its Student Housing Net Revenues and any rights to receive such Student Housing Net Revenues, subject to any lien listed on Exhibit A hereof, but the existence of the Lender's security interest shall not prevent the Borrower from expending, depositing or commingling Student Housing Net Revenues so long as all required payments hereunder are made. Without limiting any of the Lender's or the Secretary's remedies under Article 7 of this Agreement, if an Event of Default occurs hereunder and for so long as it continues to exist, upon notice to the Borrower by the Lender, any Student Housing Revenues shall be transferred or paid over

immediately to the Trustee, as assignee of the Lender, without being commingled with other funds and any Student Housing Revenues thereafter received shall upon receipt be transferred to the Trustee in the form received (with necessary endorsement if necessary for negotiability or good delivery) to the extent necessary to cure the deficiency. The Borrower represents and warrants that the lien granted hereby with respect to the Student Housing Net Revenues is and at all times will be a first lien, subject only to Permitted Liens.

Section 2.16. Assignment and Pledge of the Lender. The Lender assigns and pledges to the Trustee, without recourse, in trust upon the terms hereof and grants to the Trustee a continuing security interest in (a) the rights, title and interest of the Lender under this Agreement, (b) all of the Lender's rights, whether currently existing or hereafter acquired, to enforce any loan or loans of proceeds of the Series A 2024-1 Bond made by the Lender to the Borrower pursuant to the terms of this Agreement and (c) all Student Housing Net Revenues to be received from the Borrower; but not including funds received by the Lender for its own use, whether as administrative fees, reimbursement or indemnification, and the rights thereto. The Borrower joins in the pledge of, and grant of a security interest in, such Student Housing Net Revenues to the extent of its interest therein.

Section 2.17. Further Assurances. Notwithstanding the foregoing, the Lender, the Borrower and the Trustee shall, to the extent required by law after the effective date of this Agreement, cause a financing statement or memorandum relating to this Agreement to be filed, registered and recorded in such manner and at such places as may be required by Lender with a copy of such financing statement or memorandum being retained by the Trustee. Concurrently with the execution and delivery hereof and thereafter from time to time, as reasonably requested by the Lender or the Trustee, the Borrower shall obtain or, at the written request and expense of the Borrower, the Lender or the Trustee shall obtain, an opinion of counsel and furnish a signed copy thereof to the Lender and the Trustee, setting forth what, if any, actions by the Borrower, the Lender or the Trustee should be taken to preserve the security interest granted herein. The Borrower shall perform or shall cause to be performed any such acts, and execute and cause to be executed any and all further instruments as may be required by law or as shall reasonably be requested by the Lender or the Trustee for such protection of such security interests.

Such funds may be derived from donations or gifts to the Borrower, endowment funds of the Borrower, grants obtained by the Borrower or, to the extent approved by the Lender, the elimination of a portion of the construction proposed hereunder and the use of the moneys allocable to the cost of construction therefor towards the balance of the construction. (E) solely with respect to any Advance intended for Costs of construction of any facility, the Lender has reviewed the Borrower’s books and a budget and an estimate of the total costs of construction for such facility provided by an architect or a contractor reputable in this particular area of construction and, to the extent such costs exceed the amounts

available to, or allocable for, such respective building, under the Loan, the Lender has ascertained with reasonable certitude that the Borrower has obtained funds or legally binding commitments for the same in an amount equal to the excess cost of the respective facility. Such funds may be derived from donations or gifts to the Borrower, endowment funds of the Borrower, grants obtained by the Borrower or, to the extent approved by the Lender, the elimination of one (1) or more of the facilities proposed hereunder and the use of the moneys allocable to the cost of construction therefor towards another of the foregoing facilities instead. No architect's or contractor's estimate shall be required for any advance for design or architect's fees and costs to any of the above facilities.

- (C) preliminary construction schedule(s) approved by the General Contractor; and
- (D) evidence of submission to the applicable governmental authorities for the permits necessary to construct or rehabilitate the Project;

(2) in addition to the foregoing requirements listed in paragraph (i) above, not later than thirty (30) days after the Closing Date, the Borrower shall deliver to the Lender a status report detailing its progress towards obtaining the required deliverables and meeting the timing in paragraph (i) above, including, but not limited to, the status of dissemination of any requests for proposals to procure general contractors and architects and any efforts to secure the building and other required permits; and

(3) notwithstanding anything in this Agreement or any other Loan Document to the contrary, the obligation of the Lender to make any Advance under the Loan related to Costs of construction is conditioned upon the delivery to the Lender of (x) plans and specifications with respect to the Project and the approval of such plans and specifications by the Lender, with the consent of the Secretary and (y) evidence satisfactory to the Lender that any zoning and other approvals necessary in connection with the Project have been or will be obtained. For purposes of this paragraph (c), "construction" shall not include pre-construction activities, including, but not limited to, (i) engagement of the Architect, general contractor, inspectors and such other third parties as may be reasonably required to prepare for and manage construction of the Project, (ii) commercially reasonable due diligence activities, (iii) acquisition of permits and other approvals, (iv) any remediation reasonably required as a prerequisite to construction and (v) such other activities as are determined in the sole discretion of the Lender.

(d) The Trustee has reviewed, and conclusively relied upon, the foregoing documents and determined, in accordance with Section 404 of the Indenture that such documents are in order, that the conditions precedent to making payments from or for the account of the Florida Agricultural and Mechanical University Project Account (Series A 2024-1) have been satisfied, and that the requested advance is authorized to be made.

Section 3.3. Making Advances. Each Advance under the Loan shall be made from the proceeds of an advance of funds caused to be made under the Series A 2024-1 Bond that the Lender issued to fund a portion of the Loan, and each advance of funds that is made under the Series A 2024-1 Bond shall be deemed to be an Advance made under the Loan in an equal amount. Upon receipt of the documents required by Section 3.2 hereof to be delivered in connection with each request for Advance and, in the case of the Initial Advance, upon receipt of the documents required by Section 3.1 hereof to be delivered in connection with the request for the Initial Advance, the Lender will make, or cause to be made, the requested Advance as herein provided.

(a) With respect to each requested Advance, the Lender shall, FIRST, retain, or cause to be retained, an amount of funds equal to the Retention Amount until such time as the Lender receives an Architect's Certificate of Completion; and, SECOND, disburse, or cause to be disbursed, by wire transfer an amount of funds equal to the Approved Disbursement Amount to the account specified by the Borrower in its requisition delivered to the Lender, and, THIRD, disburse, or cause to be disbursed, an amount equal to the Series A 2024-1 Bond Escrow Requirement applicable to the Approved Disbursement Amount for deposit to the credit of the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1), as required by Section 2.13 hereof, unless the Borrower has elected to make a deposit in such amount from its own funds.

(b) With respect to the request for the final Advance to be made under the Loan from the Retention Amounts retained in accordance with subsection (a) above, the Lender will make such final Advance subject to the satisfaction of the following conditions precedent:

(1) The Lender has received the following documents, in form and substance satisfactory to the Lender:

(A) each of the documents required by Section 3.2 hereof to be delivered in connection with each request for an Advance; and

(B) for the request for the final Advance under the Note related to the Series A 2024-1 Bond, an Architect's Certificate of Completion.

(2) The Lender has delivered to the Trustee a certificate stating that Lender has reviewed the foregoing documents and determined that such documents are in order and that the requested final Advance should be made.

(3) The Trustee has reviewed the foregoing documents and determined in accordance with Section 404 of the Indenture that such documents are in order, that the conditions precedent to making the final payment from or for the account of the Florida Agricultural and Mechanical University Project Account (Series A 2024-1) established by the Trust Indenture have been satisfied, and that the requested final Advance is authorized to be made.

Upon receipt of the documents required by the preceding sentence to be delivered in connection with the request for the final Advance, the Lender will, FIRST, disburse, or cause to be disbursed, by wire transfer the sum of the Retention Amounts retained in accordance with subsection (a) above, to the account specified by the Borrower in its requisition delivered to the Lender, and, SECOND, disburse, or cause to be disbursed, an amount equal to the Series A 2024-1 Bond Escrow Requirement applicable to the sum of such Retention Amounts, for deposit to the credit of the Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1), as required by Section 2.13 hereof, unless the Borrower has elected to make a deposit in such amount from its own funds.

Section 4.12. ERISA. The Borrower is not subject to ERISA. The Borrower has no funding deficiency with respect to any employee benefit plan which could reasonably be expected to materially and adversely affect the ability of the Borrower to perform its obligations hereunder or under any other Loan Documents to which it is a party, and the Borrower is otherwise in compliance with terms of any such plan in which the Borrower or any of its employees participate to the extent any such failure to comply could reasonably be expected to materially and adversely affect the ability of the Borrower to perform its obligations hereunder or under any other Loan Documents to which it is a party.

Section 4.13. [Reserved].

Section 4.14. The Student Housing Property. Section 4.15. Hazardous Substances. To the knowledge of the Borrower after due diligence, no “Hazardous Substance” is located on or in any part of the Property except as permitted by law. The term “Hazardous Substance” means (a) any oil, flammable substance, explosive, radioactive material, hazardous waste or substance, toxic waste or substance or any other waste, material or pollutant which (i) poses a hazard to the Property or to persons on or about the Property, or (ii) causes the Property to be in violation of any applicable law; (b) asbestos in any form which is or could become friable, urea formaldehyde foam insulation, transformers or other equipment which contain dielectric fluid containing levels of polychlorinated biphenyls, or radon gas; (c) any chemical, material or substance defined as or included in the definition of “hazardous substances,” “hazardous waste,” “restricted hazardous waste,” or “toxic substances” or words of similar import under any applicable local, state or federal law or under the regulations adopted or publications promulgated pursuant thereto, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. §9601 et seq.; the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. §6901 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. §1801; the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq.; (d) any other chemical, material or substance, exposure to which is prohibited, limited or regulated by any governmental authority or may or could pose a hazard to the health and safety of the occupants of the Property or the owners and/or occupants of property adjacent to or

The defense of any such claims or liabilities shall be the sole obligation of the Borrower. Neither the Lender nor the Trustee, or their successors and assigns, shall be obligated to assume or defend any claim, whether asserted against the Borrower or otherwise. The Borrower shall promptly reimburse the Lender and the Trustee for their respective costs of defense of any such claim, including reasonable expenses and attorney’s fees. The provisions of this Section 4.16 shall survive the repayment of the Loan. *Provided, however*, that this indemnification from the Borrower shall only be to the extent and within the limitations of Section 768.28, Florida Statutes; and subject to the provisions of that statute, the Borrower shall not be held liable to pay any personal injury or property damage claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgment or portions thereof, which, when totaled with all other claims or judgments paid by the Borrower arising out of the same incident or occurrence, exceed the sum of \$300,000. *Provided, further*, nothing contained herein shall be construed or interpreted as either denying the Borrower, or any other state entity, any remedy or defense available under the laws of the State of Florida; the consent of the Borrower, or any other State entity, to be sued; or a waiver of sovereign immunity of the Borrower, or any other State entity, beyond the waiver described herein and provided in Section 768.28, Florida Statutes.”

Section 5.5. Insurance.

(a) As of the date hereof, procure and, thereafter, during the term of this Agreement, maintain, or cause to be procured and maintained, insurance or self-insurance as approved by the Lender, against such risks and in such amounts customarily maintained by prudently managed institutions of higher education in the ordinary course of their business, and reasonably acceptable to the Lender (the “Insurance Requirements”).

(b) Each insurance policy evidencing any Insurance Requirement (the “Insurance Policies”) shall be carried by insurance companies which are financially responsible and capable of fulfilling the requirements of such policies or, in lieu of such insurance companies, via self-insurance or State insurance, if approved, in writing, by the Lender. All Insurance Policies (except liability policies) shall name the Borrower, the Lender and the Trustee as insured parties, beneficiaries or loss payees as their interest may appear. Each Insurance Policy shall be in such form and contain such provisions as are generally considered standard for the type of insurance involved and shall contain a provision to the effect that the insurer shall not cancel or substantially modify the policy provisions without first giving at least thirty (30) days written notice thereof to the Borrower, the Lender and the Trustee. In lieu of separate policies, the Borrower may maintain blanket policies which cover any one or more risks required to be insured against so long as the minimum coverages required herein are met.

(c) No Insurance Policy can be canceled or coverage reduced for any reason unless the Lender and the Trustee receive at least a thirty (30) day written notice of such cancellation and the Lender has agreed to such cancellation in writing, with a copy to the Trustee. The Lender shall not unreasonably withhold its consent to any such cancellation if another comparable policy replaces it.

(d) Evidence of insurance acceptable to the Lender shall be provided to the Lender and the Trustee by the Borrower on or prior to the Closing Date and, thereafter, within five (5) Business Days after a request is made to the Borrower by the Lender or the Trustee. (e) The Borrower shall engage a qualified insurance consultant to review each Insurance Policy from time to time, but not less frequently than once every three (3) years, commencing not later than three (3) years after the Closing Date. If such review indicates that the Borrower should increase any of the coverages provided by the Insurance Policies in order to

maintain compliance with the Insurance Requirements, the Borrower shall review such recommendation with the governing body of the Borrower and shall increase such coverage; *provided, however*, that such coverage is available from reputable insurance companies on the open market.

(f) The Borrower covenants and agrees to use its best efforts to apply for any grants, loans or other relief available from the State or federal government to obtain amounts necessary to rebuild any portion of the Properties destroyed or damaged in connection with an uninsured or underinsured calamity causing destruction or damage; *provided, however*, that the Borrower shall not be required to accept such amounts if doing so would jeopardize the integrity of the Borrower's programs.

(g) The Borrower shall at all times comply with the Workers' Compensation Law of the State, or any successor statute or statutes.

(a) the same are being contested in good faith and by appropriate proceedings in such manner as not to cause any adverse effect upon its financial condition or the loss of any right of redemption from any sale thereunder; and

(b) it has set aside on its books reserves (segregated to the extent required by sound accounting practice) adequate with respect thereto.

Section 5.7. ERISA Compliance. To the extent required by applicable law, fund all current and past service pension liabilities under all of the ERISA Plans, if any, maintained by the Borrower so that, if all ERISA Plans maintained by the Borrower were terminated at the same time by the Borrower, the aggregate dollar amount of any liens imposed on the Property pursuant to ERISA would not have a material and adverse effect on the business, financial position, operations or prospects of the Borrower. To the extent required by applicable law, comply in all other material respects with the provisions of ERISA, the Code and the regulations thereunder which are applicable to the ERISA Plans maintained by the Borrower.

Section 5.8. Use of Proceeds of the Loan.

Section 5.10. Payment of Lender's Expenses. Pay to or for the account of the Lender within thirty (30) days after notice thereof all reasonable costs and expenses incurred by the Lender in connection with the financing and administration of the Project, except such as may be paid out of the proceeds of the Series A 2024-1 Bond, including, without limitation, the costs of administering this Agreement and the reasonable fees and expenses of attorneys, consultants and others.

Section 5.11. Indemnity Against Claims in Respect of the Project and Properties. TO THE MAXIMUM EXTENT PERMITTED BY LAW, PAY AND DISCHARGE AND INDEMNIFY AND HOLD HARMLESS THE LENDER AND THE TRUSTEE FROM (A) ANY LIEN OR CHARGE UPON AMOUNTS PAYABLE HEREUNDER BY THE BORROWER TO THE LENDER (OTHER THAN THE LIEN OF THE INDENTURE) OR (B) ANY TAXES, ASSESSMENTS, IMPOSITIONS AND OTHER CHARGES IN RESPECT OF THE STUDENT HOUSING REVENUES OR THE STUDENT HOUSING PROPERTY. IF ANY CLAIM OF ANY SUCH LIEN OR CHARGE UPON PAYMENTS, OR ANY SUCH TAXES, ASSESSMENTS, IMPOSITIONS OR OTHER CHARGES, ARE SOUGHT TO BE IMPOSED, THE LENDER OR THE TRUSTEE, AS THE CASE MAY BE, WILL GIVE PROMPT NOTICE TO THE BORROWER, AND THE BORROWER SHALL HAVE THE SOLE OBLIGATION AND DUTY TO ASSUME, AND SHALL ASSUME, THE DEFENSE THEREOF, WITH FULL POWER TO LITIGATE, COMPROMISE OR SETTLE THE SAME IN ITS SOLE DISCRETION. THE COVENANTS OF THE BORROWER CONTAINED IN THIS SECTION 5.11 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

Section 5.12. Release and Indemnification.

(a) To the extent permissible under State law, the Borrower (the "Indemnitor") hereby agrees to indemnify and save harmless the Lender and the Trustee from and against all liabilities, obligations, suits, actions, claims, judgments, demands, damages, penalties, fines, assessments, losses, expenses, fees (including all fees of attorneys, auditors, and consultants), taxes (including rebate to the United States) but exclusive of income taxes on fees earned by the Trustee and the Lender, contributions, and costs of every kind and nature (including litigation and court costs, amounts paid in settlement by or with the approval of the Borrower and amounts paid to discharge judgments) (collectively, "Claims") incurred by, asserted or imposed against an Indemnified Party (hereinafter defined) (excluding such claims arising from the gross negligence and willful misconduct of such Indemnified Party), the Indemnitor or any other person directly or indirectly resulting from or arising out of or relating to:

(iv) any untruthful, misleading or inaccurate information supplied by the Borrower relating to the Student Housing Revenues, the Student Housing Property, the Project, the Borrower, the Project manager or to the terms of financing relating to the Project, including, but not limited to, any breach of any representation or warranty of the Borrower set forth in the Loan Documents, the Indenture or any certificate delivered pursuant thereto, and any representation, or warranty of the Borrower, or any information provided by the Borrower that contains or contained any untrue or misleading statement of fact or omits or omitted to state any material fact necessary to make the statements made therein not misleading in light of the circumstances under which they were made;

(vii) violation or breach of any agreement, covenant, representation, warranty or condition of this Agreement (except in the case of a breach alleged by the Lender or the Trustee and such alleged breach is not found by a court of competent jurisdiction) or the Note, except by the Lender or the Trustee;

All references to the Lender and the Trustee in this Section shall be deemed to include all their respective past, present, and future officers, directors, members, employees, commissioners, and agents and their permitted successors and assigns (also referred to herein as “Indemnified Parties”).

The Indemnitor shall indemnify and save each Indemnified Party harmless from any such Claims and upon notice from such Indemnified Party, the Indemnitor shall defend them or either of them in any such action or proceeding as provided below.

Any Indemnified Party, after receipt of notice of the existence of a Claim in respect of which indemnity hereunder may be sought or of the commencement of any action against an Indemnified Party in respect of which indemnity hereunder may be sought, shall notify the Indemnitor in writing of the existence of such Claim or commencement of such action. The Indemnitor shall undertake promptly to defend, at their sole cost and expense, any and all Claims against an Indemnified Party in connection with any of the matters indemnified against in this

Section. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Agreement, the Indemnitor, upon receipt by either of written notice from the Indemnified Party, shall assume the investigation and defense of the Claims, including the employment of counsel selected by the Indemnitor, subject to the approval of the Indemnified Party in such party's sole discretion. The Indemnitor shall pay all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same, provided that the Lender and the Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. If (i) an Indemnified Party determines that a potential conflict of interest exists or may arise as a result of any of the Indemnitor assuming the investigation and defense of any claims, (ii) an Indemnified Party shall have been advised by counsel that there may be legal defenses available to it which are different from or additional to those available to the Indemnitor, or that a conflict exists that could affect the zealous defense of such Claims by the Indemnitor, or (iii) the Indemnitor shall not have assigned the defense of such action and employed counsel therefor satisfactory to the Indemnified Party within a reasonable time after notice of commencement of such action, such Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and the Indemnitor shall pay the fees and expenses of such separate counsel.

(b) Notwithstanding the fact that it is the intention of the parties hereto that the Lender shall not incur any pecuniary liability by reason of the terms of this Agreement or the Note or the undertakings required of the Lender hereunder, by reason of the issuance of the Bonds, the execution of the Indenture or the performance of any act requested of the Lender by the Borrower, including all claims arising in connection with the violation of any statutes or regulation pertaining to the foregoing; nevertheless, if the Lender should incur any such pecuniary liability, then in such event the Indemnitor shall indemnify and hold the Lender harmless against all such claims (but excluding such Claims arising from the gross negligence and willful misconduct of the Lender) whatsoever, by or on behalf of any person, firm or corporation or other legal entity arising out of the same or lack of any offering statement in connection with the sale, resale or prepayment of the Bonds and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the Lender, the Borrower shall defend the Lender in any such action or proceeding.

(c) Failure of an Indemnified Party to provide notification to the Indemnitor required under this Section shall not operate as a waiver of the Indemnitor's indemnification obligations in this Section.

(d) Upon demand by any Indemnified Party, the Indemnitor must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense. The Lender shall use best efforts to provide the Borrower with timely notice of any claim made or threatened for Indemnified Costs to allow the Borrower adequate time to defend any investigation, action or claim; provided, however, that any failure of the Lender to provide the Borrower with timely notice shall not affect any rights of the Lender herein.

(e) The obligations of the Indemnitee under this Section 5.12 are joint and several, and are in addition to and shall not be limited by any other provisions hereof and shall survive the termination of this Agreement.

Section 5.15. Rate Covenant.

(a) The Borrower shall set rates and charges such that for each Fiscal Year, the Debt Service Coverage Ratio is equal to at least one hundred and twenty percent (120%) (the “Rate Covenant”).

(b) In the event the Borrower does not, in the most recently completed Fiscal Year, comply with the Rate Covenant, the Borrower shall provide written notice to the Lender and the Trustee of such noncompliance (each such notice a “Notice of Noncompliance”) and may include in such Notice of Noncompliance a request for waiver of noncompliance. Notwithstanding anything in this Agreement to the contrary, the Borrower shall pay, from Student Housing Net Revenues, the Long-Term Debt Service Requirements for the Loan and any other Debt secured by a parity lien on and security interest in the Student Housing Net Revenues as a first priority. Upon the Borrower’s noncompliance with the Rate Covenant, the Lender may do either of the following, subject to the limitations set forth hereafter: (i) declare a default under this Agreement pursuant to Section 7.1 hereof; (ii) provide a written waiver of noncompliance to the Borrower, subject to conditions agreed upon by the Borrower and the Lender at the time of such waiver; or; (iii) provide a written waiver of noncompliance beginning with the Fiscal Year immediately succeeding the Fiscal Year of the Borrower’s noncompliance, until such Fiscal Year as the Borrower shall comply with both of the following requirements: (a) the Borrower again complies with the Rate Covenant and (b) the Borrower shall set rates and charges such that for each Fiscal Year, Student Housing Revenues are equal to at least one hundred and twenty percent (120%) of the sum of Operating Expenses, Administrative Expenses, Maximum Annual Debt Service, Florida Agricultural and Mechanical University Escrow Account (Series A 2024-1) payments required by the Indenture, and payments to the Replacement Fund required by Section 5.20 hereof.

(c) In the event that a waiver is provided by the Lender pursuant to item (b)(ii) above, and a determination is thereafter made that Revenues are or will be insufficient to maintain compliance with the requirements described in (b)(ii) above, the Borrower shall provide written notice to the Lender and the Trustee and immediately designate other Borrower funds which are legally available to be used for such purpose (the “Other Revenues”) as may be necessary to

achieve compliance with (b)(ii) above; and *provided, further*, that any such designation of Other Revenues (i) shall apply for one (1) Fiscal Year only; and (ii) shall not constitute a pledge of or security interest in Other Revenues. The Borrower's requirement to designate Other Revenues shall not restrict or impair its ability to pledge such Other Revenues to any other purpose, and the designation of such Other Revenues under this section shall be subordinate to any other obligation secured by such Other Revenues. All written notices required by this Section 5.15 shall be delivered to Lender within five (5) Business Days of Borrower's knowledge of noncompliance.

(d) Notwithstanding the foregoing, any waiver of noncompliance provided to the Borrower pursuant to (b)(ii) or (b)(iii) above (each, an "Original Waiver") shall specify an expiration date for such Original Waiver, which expiration date shall, in any event, be the earlier of (a) any Fiscal Year end that is not more than three (3) consecutive Fiscal Years following the Fiscal Year of the Borrower's noncompliance and (b) such Fiscal Year as the Borrower shall comply with the requirements and conditions set forth in the applicable Original Waiver; *provided* that the Lender may, in its absolute and sole discretion and not more than eight (8) months prior to the expiration date of the applicable Original Waiver or Extended Waiver (as hereafter defined), deliver a subsequent written consent to extend the applicable waiver beyond three (3) consecutive Fiscal Years (each, an "Extended Waiver"); and *provided, further*, that each such consent shall not provide for an extension of the Original Waiver or Extended Waiver then in effect for more than two (2) additional Fiscal Years.

(e) Notwithstanding anything in this Agreement to the contrary, the Borrower shall pay, from Student Housing Net Revenues, the Long-Term Debt Service Requirements for the Loan and any other Debt secured by a parity lien on and security interest in the Student Housing Net Revenues as a first priority.

Section 5.16. Budget. By no later than thirty days prior to the beginning of each Fiscal Year, the Borrower shall have: (a) adopted an annual budget with respect to its overall operation; (b) adopted an annual budget for the operation of the Student Housing Property; and (c) provided a copy of such budgets to the Lender. Such budgets shall include enrollment, occupancy projections, projected operations and maintenance expenses, deposits to and withdrawals from the Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1). The budgets related to the Student Housing Property shall ensure that the Student Housing Net Revenues will be sufficient to satisfy the Rate Covenant set forth in Section 5.15 hereof.

Section 5.17. Utilization and Maintenance of Student Housing Property. The University shall fully utilize and maintain as habitable all of the Student Housing Property for purposes of housing students prior to use by the Borrower of any source of permanent or temporary housing which does not constitute a part of the Student Housing Property. The Borrower will not assign incoming students or faculty to any source of permanent or temporary housing which does not constitute a part of the Student Housing Property if, at that time, housing units are vacant, habitable and available for occupancy within any Student Housing Property.

Section 5.18. Florida Agricultural and Mechanical University Student Housing Revenue Account.

(a) Subject to Article 7 hereof and Section 5.18(c) below, all Student Housing Revenues from the operation of the Student Housing Property shall be maintained in a separate and dedicated account held by the Trustee under the Supplemental Indenture (the “Florida Agricultural and Mechanical University Student Housing Revenue Account (Series A 2024-1)”) and shall not be commingled with other funds of the Borrower. Upon this Section 5.18(a) becoming operative, on a weekly basis, the Borrower shall transfer all Student Housing Revenues to the Trustee, for deposit in the Florida Agricultural and Mechanical University Student Housing Revenue Account (Series A 2024-1). Amounts on deposit in the Florida Agricultural and Mechanical University Student Housing Revenue Account (Series A 2024-1) shall be applied in the manner described in Section 5.6 of the Supplemental Indenture.

(b) Subject to Article 7 hereof and Section 5.18(c) below, not later than thirty (30) days after delivery of the audited financial statements pursuant to Section 5.1(a) above, to the extent that the deposits and payments required by Section 5.15 above and all covenants contained in the Loan Documents have been satisfied, the Borrower may use amounts on deposit in the Florida Agricultural and Mechanical University Student Housing Revenue Account (Series A 2024-1) from the prior Fiscal Year for any authorized purpose.

(c) The provisions of Section 5.18(a) and 5.18(b) above may become operative, at the discretion of the Lender, if the Borrower shall fail to make timely Loan Deposits as required by this Agreement in any month during the term of this Agreement or the Borrower shall fail to meet the Rate Covenant in any year.

Section 5.19. Florida Agricultural and Mechanical University Liquidity Reserve Account.

(a) Beginning in the first full Fiscal Year after the Closing Date, if the Borrower fails to meet the Rate Covenant during any Fiscal Year, the Borrower shall, unless an Original Waiver is obtained, immediately fund, from its Student Housing Net Revenues, a separate and dedicated account maintained and held by the Trustee under the Supplemental Indenture (the “Florida Agricultural and Mechanical University Liquidity Reserve Account (Series A 2024-1)”), annually on the first (1st) day of the Fiscal Year through deposits of two hundred thousand dollars (\$200,000) until the earlier of: (i) the date amounts on deposit in such fund equals one million dollars (\$1,000,000); or (ii) such time as the Borrower has demonstrated compliance with the Rate Covenant in its audited financial statements delivered to the Lender in accordance with Section 5.1(a) hereof (the “Compliance Date”). Such funds shall not be commingled with other funds of the Borrower. Unless a Notice of Compliance has been issued in accordance with Section 5.19(c), upon this Section 5.19 becoming operative, on an annual basis on the first (1st) day of the Fiscal Year, the Borrower shall transfer to the Trustee for deposit in the Florida Agricultural and Mechanical University Liquidity Reserve Account (Series A 2024-1), the \$200,000 required amount.

(b) Amounts on deposit in the Florida Agricultural and Mechanical University Liquidity Reserve Account (Series A 2024-1) shall be applied in the manner described in Section 5.7 of the Supplemental Indenture.

(c) Not later than five (5) Business Days following the Compliance Date, the Lender shall deliver a notice to the Borrower and the Trustee indicating that the Borrower has demonstrated compliance with the Rate Covenant to its satisfaction (the “Notice of Compliance”). Upon receipt of the Notice of Compliance, the Borrower may request of the Trustee in writing, and the Trustee shall release to or for the account of the Borrower upon such request, any funds then on deposit in the Florida Agricultural and Mechanical University Liquidity Reserve Account (Series A 2024-1).

(d) The Florida Agricultural and Mechanical University Liquidity Reserve Account (Series A 2024-1) may not be included in calculating the operating budget of the Borrower nor in the determination as to whether the Rate Covenant has been satisfied.

Section 5.20. Florida Agricultural and Mechanical University Replacement Fund.

(a) During each Fiscal Year, beginning in the first full Fiscal Year after the Closing Date, the Borrower shall expend amounts not less than the Annual Replacement Reserve Requirement on Replacement Expenses.

(b) Not later than January 1 and July 1, commencing on January 1, 2025, the Borrower shall, deliver to the Lender and the Trustee the following (collectively, the “Report”): (i) a listing of all the Replacement Expenses incurred and capital improvements effectuated with respect to the Student Housing Property during the Fiscal Year to such date, as applicable, together with (ii) invoices evidencing completion and satisfaction of payment for each of the same and (iii) a certificate signed by the Borrower Representative, and certifying that (A) the items set forth in items (i) and (ii) are true, correct and commercially reasonable for operation and maintenance of Student Housing Property for entities substantially similar to the Borrower and (B) the Borrower has been, is and will continue to be in compliance with the requirements of Section 5.13 hereof. The information submitted with respect to item (i) shall include an itemized accounting of, (i) in the event specific equipment was purchased, the quantity and price of each item purchased, (ii) in any event, the price of all materials (grouped by type or category), and (iii) in any event, the cost of all labor or other services contracted for, if any.

(c) The Trustee shall, based upon the Report provided by the Borrower pursuant to Section 5.20(b) above, aggregate the amounts of Replacement Expenses incurred by the Borrower during the Fiscal Year for which such Report was delivered and determine whether such expenditures equal the Annual Replacement Reserve Requirement as specified in Section 5.20(a) above. If the Borrower fails to satisfy the provisions of Sections 5.20(a) or (b) hereof during any Fiscal Year, the Trustee shall provide written notice of the same to the Lender and the Borrower not later than eight (8) Business Days following the Borrower’s delivery of the Report, and, if so directed in writing by the Lender, with the consent of the Secretary, the Borrower shall fund a separate and dedicated account maintained and held by the Trustee under the Supplemental Indenture (the “Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1)”) in the manner hereinafter described. Commencing on January 1 of the Fiscal Year in which the Borrower is determined to have failed to comply with the provisions of Sections 5.20(a) or (b) hereof and in which the Lender has so directed the Borrower in accordance with this paragraph (c), and for so long as the Lender shall so direct, but never exceeding the Maturity Date, the Borrower shall make a monthly deposit equal to one-twelfth (1/12) of the Annual Replacement Reserve Requirement from Net Student Housing Revenues until amounts on deposit in such fund

equal the Annual Replacement Reserve Requirement. Such funds shall not be commingled with other funds of the Borrower. Any funds on deposit in the Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1) may not be included as revenue in calculating the operating budget of the Borrower nor in the determination as to whether the Rate Covenant has been satisfied.

(d) Amounts on deposit in the Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1) shall be requisitioned and applied in the manner described in Section 5.7 of the Supplemental Indenture.

(e) In the event the Borrower is required to fund the Florida Agricultural and Mechanical University Replacement Reserve Fund (Series A 2024-1) pursuant to Section 5.20(c) hereof and the Borrower is not applying funds up to or in excess of the Annual Replacement Reserve Requirement, the Lender may (i) engage a Management Consultant, at the Borrower's expense to determine if any commercially reasonable Replacement Expenses should be incurred or capital expenditures should be effectuated with respect to the Property, and (ii) at the direction of the Lender, with the consent of the Secretary, to the extent moneys are available in the Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1), withdraw such amounts from the Florida Agricultural and Mechanical University Replacement Fund (Series A 2024-1) for expenditure in accordance with the Management Consultant's recommendations for the purpose of satisfying the requirements of Section 5.13 hereof with respect to the Property.

(f) Not later than ten (10) Business Days after learning of the same, the Borrower shall notify the Lender of any changes to the amount of funds available for Replacement Expenses which have a material adverse effect on the Borrower's ability to comply with Section 5.20(a) above.

(g) Notwithstanding the foregoing, nothing in this Section 5.20 shall, under any circumstances, obligate the Lender to permit the Borrower to expend Student Housing Net Revenues for purposes other than payment of Obligations.

ARTICLE 6
NEGATIVE COVENANTS OF THE BORROWER

The Borrower covenants and agrees that until payment in full of the Loan and the Obligations, unless the Lender otherwise consents in writing, the Borrower will not do any of the following:

Section 6.1. Permitted Debt. The Borrower covenants and agrees that it will not hereafter incur or assume any additional Debt secured by or payable from Student Housing Revenues except as permitted in this Agreement and including as follows:

(a) Long-Term Debt. If no Event of Default shall have occurred and then be continuing, the Borrower may incur or assume additional Long-Term Debt for such lawful purposes of the Borrower as shall be specified in reasonable detail in a certified resolution of the Borrower; *provided* that, on or before the date on which any Long-Term Debt, whether secured or unsecured, is to be incurred or assumed, the Borrower shall:

(1) obtain the prior written consent of the Lender and the Secretary for the issuance of such additional Long-Term Debt, which such consent shall not be unreasonably withheld, and

(2) deliver to the Lender and the Trustee the following items:

(i) General Requirements - Opinion of Counsel. In all cases, an opinion of counsel to the effect that: (A) all conditions prescribed herein as precedent to such incurrence have been fulfilled; (B) the additional Long-Term Debt has been validly authorized; and (C) any consents and approvals of any regulatory bodies required in connection with the Long-Term Debt or in connection with the acquisition or construction of any Capital Additions to be financed with the proceeds of such Long-Term Debt have been obtained except for such approvals as, based on consultation with the Borrower, such counsel has no reason to believe will not be obtained in due course so as not to delay scheduled completion of construction;

(ii) General Requirements - Architect's Certificate for Capital Additions. If the purpose of such Long-Term Debt is to finance a Capital Addition, an Architect's certificate stating that, in its opinion (A) such Capital Addition is reasonable and practicable; (B) the construction items and the cost thereof are reasonable; (C) the plans and specifications have been approved by such Architect and all regulatory bodies required to approve them (specifying such regulatory bodies); (D) the contracts entered into by the Borrower and its agents (which contracts shall be specified) cover substantially all phases of the construction not being done by employees of the Borrower; and (E) the contractors have furnished payment and performance bonds covering the work to be performed under such contracts;

(iii) Limit Based on Debt Service Coverage. (A) a Feasibility Report (or a certificate of a Borrower Representative in the event the Long-Term Debt to be incurred is not greater than \$1,000,000) stating that the Debt Service Coverage Ratio for the Borrower, as forecasted for the first two (2) full Fiscal Years following the completion of the Capital Addition to be financed with the proceeds of the Long-Term Debt (or in the case of Long-Term Debt assumed or incurred for the purpose of refinancing any Long-Term Debt then outstanding or

incurred or assumed for any other purpose not involving construction, the first two (2) full Fiscal Years following the date on which it is incurred or assumed) is forecasted to be at least 1.20, and (B) a certificate of a Borrower Representative which demonstrates that for the last two (2) Fiscal Years for which audited financial statements are available, the Debt Service Coverage Ratio for the Bond and other Long-Term Debt of the Borrower then outstanding would have been at least 1.20;

(iv) Refunding Debt. In lieu of the requirements of paragraph (iii) above, in the case of Long-Term Debt incurred to refinance outstanding Long-Term Debt, a certificate of a Borrower Representative showing that the Maximum Annual Debt Service on the proposed Long-Term Debt does not exceed one hundred and ten percent (110%) of the Maximum Annual Debt Service on the Long-Term Debt to be refinanced.

(b) Architect's Certificate for Capital Additions. If the purpose of such Long-Term Debt is to finance a Capital Addition, an Architect's certificate stating that, in its opinion (1) such Capital Addition is practicable; (2) the construction items and the cost thereof are reasonable; (3) the plans and specifications have been approved by such Architect and all regulatory bodies required to approve them (specifying such regulatory bodies); (4) the contracts entered into by the Borrower and its agents (which contracts shall be specified) cover substantially all phases of the construction not being done by employees of the Borrower; and (5) the contractors have furnished payment and performance bonds covering the work to be performed under such contracts.

(c) To the extent that any additional Long-Term Debt is incurred by the Borrower pursuant to subsection 6.1(a)(2) above, any agreement for the repayment of any additional Long-Term Debt and instruments evidencing or securing the same shall be subject to the approval of the Lender, with written notice to the Trustee and the Lender, and shall (i) provide that all notices be given to the Trustee and the Lender regarding defaults by the Borrower, (ii) specify the rights of the Trustee and the Lender to pursue remedies upon the receipt of such notice, and (iii) specify the relative rights and remedies of the Trustee, the Lender, the holders of such additional Long-Term Debt and/or the issuer of any credit facility with respect to such additional Long-Term Debt, pursuant to an intercreditor arrangement, the terms of which shall be determined at the time of incurrence of such additional Long-Term Debt.

(d) Short-Term Debt. The Borrower may, from time to time, incur, assume or allow to remain Outstanding at any time Short-Term Debt in an amount not greater than fifteen percent (15%) of Student Housing Revenues for the preceding Fiscal Year so long as (i) the conditions for incurring one dollar of additional Long-Term Debt pursuant to Section 6.1(a)(2)(iii) hereof would be satisfied with respect to the proposed Short-Term Debt assuming that such Short-Term Debt would amortize over a term of twenty-five (25) years with level annual debt service payments at an assumed interest rate equal to the cost of funds to the Borrower, as stated in a letter from a Management Consultant to the Lender and the Trustee, or (ii) the Borrower has obtained a binding commitment to provide financing to pay the Short-Term Debt at maturity and the conditions for incurring the Debt in connection with the provision of such financing would be satisfied, or (iii) the Short-Term Debt is reduced to an amount not greater than five percent (5%) of Student Housing Revenues for a period of thirty (30) consecutive days during each Fiscal Year.

(e) Non-Recourse Debt. Non-Recourse debt may be incurred without limitation, *provided* that any Property pledged to secure such Debt could have been sold, transferred or disposed of pursuant to Section 6.5 hereof.

(f) Security for Permitted Debt. As long as no Event of Default has occurred and is continuing, any Debt permitted to be incurred or assumed as provided in subsection (a) or (d) may be secured only as hereinafter described.

(i) Secured Long-Term Debt. Any Long-Term Debt incurred pursuant to Section 6.1(a)(2)(iii) or (iv) may be secured only as follows:

(A) by a parity or junior lien on and security interest in the Student Housing Net Revenues; or

(B) by a purchase money security interest in fixtures and equipment or by a security interest given to refinance a purchase money security interest; or

(C) by a lien on and security interest in any personal property or revenues, other than Student Housing Revenues.

(ii) Security for Short-Term and Working Capital Debt. Any Short-Term Debt which is incurred for the purpose of providing working capital may be secured by a security interest in Accounts Receivable, *provided, however*, that the amount of Accounts Receivable securing such Debt shall not exceed one hundred twenty-five percent (125%) of the principal amount of such Debt and unless the Lender shall approve in writing, such accounts receivable shall not include the Student Housing Revenues.

Section 6.2. Restrictions on Guarantees.

(a) The Borrower agrees that it will not enter into, or become liable after the date of this Agreement in respect of, any guaranty unless such guaranty could then be incurred as Debt under this Agreement and, except as set forth in Section 6.2(b) below, meet the requirements of Section 6.1 hereof.

(b) For purposes of determination of the ability of the Borrower to enter into or become liable under or provide for a guaranty in connection with the Borrower's incurring of any Debt permitted pursuant to Section 6.1 hereof, the aggregate annual principal and interest payments on, and the principal amount of, any indebtedness (the "Guaranteed Debt") of a person which is not the Borrower, but which person is providing a direct benefit to the Borrower solely in connection with Debt permitted pursuant to Section 6.1 hereof, which is the subject of a guaranty hereunder and which would, if such obligation were incurred by the Borrower, constitute Long-Term Debt, shall be deemed equivalent to twenty percent (20%) of the Actual Annual Debt Service on, and principal amount of, such indebtedness; *provided* that the Actual Annual Debt Service on, and principal amount of, any Long-Term Debt represented by a guaranty shall be deemed equivalent to one hundred percent (100%) of the Actual Annual Debt Service on, and principal amount of, such indebtedness, if any payment has been required to be made by the Borrower on such guaranty (or for so long as the obligor on the Guaranteed Debt has insufficient funds for the payment of debt

service and is receiving transfers of operating funds from the Borrower) within the last twenty-four (24) months.

Section 6.3. Debt Service on Balloon Debt. For purposes of the calculation of the Long-Term Debt Service Requirements, Actual Annual Debt Service or Maximum Annual Debt Service on Balloon Debt, whether historical or forecasted, in lieu of using actual debt service requirements on such Debt, the Borrower shall make such calculation by using any one of the following methods:

(a) The principal of such Balloon Debt is amortized from the date of calculation thereof over a term of twenty (20) years with level annual debt service payments at an assumed interest rate equal to the cost of funds to the Borrower, as stated in a letter from a Management Consultant to the Lender and the Trustee; *provided* that the amount of such Balloon Debt is not greater than fifteen percent (15%) of Student Housing Revenues for the preceding Fiscal Year; or

(b) With respect to Balloon Debt for which the Borrower has obtained a binding commitment to refinance, the principal of such Balloon Debt is due and payable in the amounts and at the time specified in such binding commitment; *provided, however*, that (A) if the maturity of any such Balloon Debt is within eighteen (18) months of the date of calculation and is not secured by a letter of credit or similar credit facility, the full amount of the Balloon Debt shall be taken into account; and (B) if any such Balloon Debt is of the type described in subsection (ii) of the definition of Balloon Debt, it shall be assumed that such Balloon Debt matures on the first date on which it may first be tendered for purchase or redemption at the option of the holder thereof.

Section 6.4. Debt Service on Variable Rate Debt. For purposes of the computation of the interest component of any forecasted (but not historical) Long-Term Debt Service Requirements, Actual Annual Debt Service or Maximum Annual Debt Service, the interest rate on any Variable Rate Debt shall be assumed to be the higher of: (i) one hundred percent (100%) of the average interest rate on such Variable Rate Debt for the preceding two (2) year period (or such shorter period for which such Debt has been outstanding); and (ii) the current interest rate on such Variable Rate Debt; *provided, however*, that in determining the assumed interest rate on Variable Rate Debt which has not been incurred, the Borrower may substitute the interest rate on any other variable rate debt for any other borrower which, in the judgment of a Management Consultant, has the same creditworthiness as the Borrower and the same frequency of interest rate adjustment as the proposed Variable Rate Debt.

Section 6.5. Sale, Lease or Other Disposition of the Student Housing Property or Current Assets. The Borrower shall not transfer, lease, sell or dispose of any portion of the Student Housing Property to any other person, unless permitted in Section 6.6 or 6.7 hereof, *provided, however*, that so long as no Event of Default has occurred and is continuing hereunder, the Borrower may:

(a) from time to time, remove, sell or otherwise dispose of Student Housing Property which has been replaced in the ordinary course of its business; *provided* that in the event that any such Property constitutes Student Housing Property, the replacement property shall constitute “Student Housing Property” hereunder.

(b) in any Fiscal Year, remove, sell or otherwise dispose of any Student Housing Property, *provided* that the book value of the Properties subject to such transfers during any two (2)

consecutive Fiscal Years shall not exceed ten percent (10%) of the net property, plant and equipment as certified by a Borrower Representative.

(c) from time to time, use Current Assets to acquire new Student Housing Property, goods and services, or as an investment of funds, in each case in an arm's length transaction, or in the case of transfers to affiliates, upon terms no less favorable to the transferor than an arm's length transaction with a transferee which is not an affiliate.

(d) from time to time, transfer, sell or otherwise dispose of Student Housing Property, if the Borrower files with the Trustee and the Lender a certificate of a Borrower Representative certifying that: (1) such Student Housing Property is obsolete, or (2)(A) if such transfer, sale or disposition had been made immediately prior to the preceding Fiscal Year, the Debt Service Coverage Ratio for such Fiscal Year would have been not less than one hundred thirty percent (130%) of the actual Debt Service Coverage Ratio for such Fiscal Year, and (B) such transfer sale or disposition is for fair market value, and the proceeds thereof will be used (i) to retire the Loan (and together with other Debt secured by and payable from Student Housing Net Revenues on parity with the Loan, if outstanding).

(e) transfer, sell or otherwise dispose of the Student Housing Property if the Borrower files with the Lender and the Trustee a Management Consultant's report stating that: (i) assuming such transfer, sale or disposition had occurred immediately prior to the commencement of the two (2) most recent Fiscal Years for which audited financial statements are available, either (A) the Debt Service Coverage Ratio for each such Fiscal Year would not have been less than the actual Debt Service Coverage Ratio for such Fiscal Year, or (B) the conditions set forth in Section 6.1(a)(2)(iii) hereof would be met for the incurrence of one dollar of Long-Term Debt; (ii) the ratio of Long-Term Debt to the value of the Student Housing Property will not be more than one hundred fifteen percent (115%) of what it was prior to such transfer, sale or disposition, and (iii) the value of the Student Housing Property following such transfer, sale or disposition will not be less than eighty-five percent (85%) of what it was prior to such transfer, sale or disposition.

Nothing in this Section 6.5 shall be interpreted to allow the Borrower to transfer the Student Housing Property except pursuant to Section 6.7 hereof.

Section 6.6. Consolidation, Merger, Sale or Conveyance. The Borrower covenants that it will not merge or consolidate with any other entity or sell or convey all or substantially all of its Property and assets to any Person unless:

(a) The Borrower is the surviving, resulting or transferee corporation, as the case may be (the "Survivor"), or in the event the Borrower is not the Survivor, such transaction is approved in writing prior to its consummation by the Secretary, and the Survivor (A) is a solvent corporation, is a public agency or body corporate of the State, (B) is an Eligible Institution and such transaction would not violate the loan limits or any other provision of the Act, and (C) assumes in writing the due and punctual payment of the principal of and premium, if any, and interest on the outstanding Bonds issued under the Indenture according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Agreement, which document shall be delivered by the Survivor to the Lender and the Trustee; and

(b) Immediately upon such merger, consolidation or transfer, the conditions described in Section 6.1(a)(iii) hereof are met by the Survivor for the incurrence of one dollar of additional Long-Term Debt; and

(c) The net worth, exclusive of restricted fund balances, of the Survivor immediately following such merger, consolidation or transfer will not be less than ninety percent (90%) of that of the Borrower immediately prior to such merger, consolidation or transfer; and

(d) No Event of Default will have occurred by reason of such merger, consolidation or transfer, and no event will have occurred by reason of such merger, consolidation or transfer which with the passage of time or giving of notice, would constitute an Event of Default; and

(e) Prior to any merger, consolidation or transfer, the Borrower shall deliver to the Lender and the Trustee, a certificate of a Borrower Representative demonstrating that all of the foregoing conditions have been satisfied, which certificate shall be supported by such reports or opinions signed by an independent public accountant of nationally recognized standing and insurance consultant as the Trustee, at the written direction of the Lender, may reasonably require.

Section 6.7. Transfer of Student Housing Property. Except as otherwise provided in this Agreement, without the prior written consent of the Secretary, in the Secretary's sole discretion, the Borrower shall not sell, mortgage, encumber, lease (other than student residence hall leases and as permitted in Exhibit A hereof), transfer or otherwise dispose of the Student Housing Property to any Person during the life of the Loan.

Section 6.8. Limitations on Creation of Liens. The Borrower agrees it will not create or suffer to be created or to exist any Lien upon any of its Student Housing Property or the Student Housing Revenues, now owned or hereafter acquired by the Borrower other than Permitted Liens.

- (g) (i) With respect to tort claims, any money judgment enforceable within the limits of Section 768.28, Florida Statutes, is entered by a court of competent jurisdiction against the Borrower or

any of its Property and remains unvacated, unbonded or unstayed for a period of ninety (90) days from filing, and (ii) with respect to any other claim, any other money judgment, writ or warrant of attachment or similar process is entered by a court of competent jurisdiction against the Borrower or any of its Property and remains unvacated, unbonded or unstayed for a period of ninety (90) days from filing; or

(h) Any abandonment of the Project which shall be defined as cessation of work on the Project by the Borrower, at any time prior to the completion of any new construction, renovation or capital improvement portion of the Project, for a period of more than thirty (30) days (other than due to circumstances beyond the control of the Borrower), without good cause shown for the delay to the satisfaction of the Secretary; or

(i) The Borrower fails to complete the Project substantially in accordance with the drawings and specifications approved by the Lender in approving the Loan, or makes material and significant changes to such drawings and specifications without first securing the written approval of the Lender; or

(j) There shall occur any material damage or destruction of any part or all of the Student Housing Property and the Borrower shall not promptly repair, replace, rebuild or restore the Student Housing Property or the part thereof destroyed or damaged to substantially its same condition as prior to such damage or destruction, with such alterations or additions as the Borrower, with the prior written approval of the Lender (which approval shall not be unreasonably withheld) may determine and as will not impair the capacity or character of the Student Housing Property for the purpose for which it is then being used or is intended to be used.

Section 7.2. Remedies. Upon the occurrence of an Event of Default, the Lender may do any one or more of the following (without presentment, protest or notice of protest, all of which are expressly waived by the Borrower):

(a) by written notice to the Borrower and the Trustee, to be effective upon dispatch, declare the principal of, and interest on, the Loan forthwith due and payable, whereupon the principal of, and interest on, the Loan will become forthwith due and payable;

(b) exercise all rights granted pursuant to any of the Loan Documents, in such order and in such manner as the Lender may, in its sole and exclusive judgment, determine;

(c) apply for the appointment of a receiver, trustee, liquidator or conservator of the Student Housing Revenues and the Student Housing Property, or any portion thereof, without notice and without regard for the adequacy of the security for the Loan and without regard for the solvency of the Borrower or of any person, firm or other entity liable for the payment of the Loan; and

(d) at the behest of the Department terminate this Agreement and declare any Loan funds which have been provided to the Borrower up until the Event of Default as well as the interest accrued thereon from the date the funds were received at the rate established under the terms of this Agreement, to be immediately due and payable in full to the Lender.

Section 7.3. Other Remedies.

- (a) Upon the occurrence and continuance of an Event of Default, the Lender may pursue any available remedy, at law or in equity, to enforce the performance of or the compliance with any obligation of this Agreement, the Indenture or the Supplemental Indenture.
- (b) No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence in it, and every such right or power may be exercised from time to time and as often as may be deemed expedient.
- (c) No waiver of any Event of Default shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent to such Event of Default.

Section 7.4. Secretary's Rights.

- (a) Notwithstanding any provision herein to the contrary, the Secretary shall have the right to enforce any of the provisions herein including Lender's rights under the Loan Documents against the Lender and the Borrower.
- (b) Upon the occurrence of an Event of Default the Secretary may enforce any rights accruing to it under applicable law. The Secretary's exercise of its rights under this Section 7.4(b) shall be subject to the provisions of Section 2.12 of the Agreement to Insure which provisions are hereby incorporated herein by this reference thereto; *provided, however*, that no provisions hereof in any way limits the Secretary's rights to administrative offset as provided under Federal law.
- (c) In the event that an Event of Default shall have occurred and be ongoing under this Agreement and the Secretary exercises its option to declare any funds which have been provided to the Borrower and the interest accrued thereon to be a debt immediately payable in full to the Secretary, the Secretary may collect such funds by administrative offset against Federal program payments due to the Borrower. In instituting administrative offset, the Secretary will transfer the Borrower from the advance payment method of payment of Federal program funds to a reimbursement payment basis so that the Borrower will only be permitted to receive credit against this debt or payment of Federal funds on documented expenditures of institutional funds for program purposes.
- (d) In the event that the Secretary seeks to collect due to an Event of Default above by administrative offset, as provided for in clause (c) above, the Borrower hereby waives both administrative and judicial review of the Secretary's use of administrative offset to collect such amounts as may be owed by the Borrower to the Secretary. The Borrower is permitted to apply such funds as are captured in accordance with this section to pay principal and interest on the Loan pursuant to Section 1010.62(2)(a) Florida Statutes.
- (e) In the event that the Secretary seeks to collect due to an Event of Default, the Borrower shall be responsible for any legal fees and expenses and/or collection costs and expenses incurred by the Trustee or the Federal government in the course of collecting the debt or in the course of any enforcement proceeding instituted by the Trustee or the Federal government in its effort to

collect this debt; waives the issuance of service of process upon the Borrower in any suit on this debt; and waives any venue requirement in such suit.

Section 7.5. Rescission of Declaration. If the Lender makes a declaration pursuant to Section 7.2(a) above, the Lender may rescind such declaration and the consequences thereof at any time by written instrument.

Section 8.3. Failure or Indulgence Not Waiver. No failure on the part of the Lender or the Department to exercise, and no delay in exercising, any right, power or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies herein provided are cumulative and not exclusive of any rights, powers and remedies otherwise available or provided by law. The Lender will not have waived or suspended its right to timely performance of the Borrower's obligations under the Loan Documents by accepting or tolerating late performance of any such obligations on one or more occasions.

Section 8.4. Expenses. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE BORROWER WILL PAY AND INDEMNIFY THE LENDER AND THE TRUSTEE FROM, AND HOLD IT HARMLESS AGAINST (I) THE COST OF ALL ITEMS SET FORTH IN

THE OBLIGATIONS FOR PAYMENTS DESCRIBED IN THIS SECTION 8.4 SHALL BE THE EXCLUSIVE OBLIGATIONS OF THE BORROWER, AND NEITHER THE LENDER NOR THE TRUSTEE, OR THEIR SUCCESSORS AND ASSIGNS, SHALL HAVE ANY OBLIGATION FOR ANY PAYMENT THEREOF. IN THE EVENT ANY SUCH PAYMENTS ARE ASSESSED AGAINST AND ARE PAID BY EITHER THE LENDER OR THE TRUSTEE, THE BORROWER SHALL PROMPTLY REIMBURSE THE LENDER OR THE TRUSTEE, AS THE CASE MAY BE. THE OBLIGATIONS OF THE BORROWER UNDER THIS SECTION 8.4 WILL SURVIVE THE REPAYMENT OF THE LOAN. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY LOAN DOCUMENT, THE BORROWER WILL NOT BE OBLIGATED TO PAY ANY FRANCHISE, ESTATE, INHERITANCE, INCOME, EXCESS PROFITS OR SIMILAR TAX ON THE LENDER OR ON OR MEASURED BY THE LOAN OR ANY OBLIGATION. THE PROVISIONS OF THIS SECTION 8.4 WILL BE CUMULATIVE TO, AND NOT RESTRICTIVE OF, ANY PROVISION OF ANY OTHER LOAN DOCUMENT RELATING TO ANY OF THE MATTERS COVERED HEREBY.

Section 8.5. Severability. In case any provision in this Agreement or in the Note is invalid, illegal or unenforceable in any jurisdiction, such provision is severable from the remainder thereof as to such jurisdiction and the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired in any jurisdiction.

Section 8.6. Survival of Representations and Warranties. All agreements, representations and warranties made herein or in any other Loan Document will survive the execution and delivery of the Loan Documents and the making of the Loan.

Section 8.7. Assignability. This Agreement will be binding upon the parties hereto and their respective successors and assigns, and will inure to the benefit of the parties hereto and the successors and assigns of the Lender.

Section 8.8. Modification. None of the Loan Documents may be amended, waived or modified in any manner without the prior written consent of the Lender and the Borrower. Any such waiver will be effective only in the specific instance and for the specific purpose for which given.

Section 8.9. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original but all of which taken together will constitute one

PROMISSORY NOTE RELATING TO SERIES A 2024-1 BOND

\$102,995,000

Final Maturity Date: _____ 1, 2054
Interest Payment Dates: January 1 and July 1
First Payment Date: July 1, 2026

The Florida Agricultural and Mechanical University Board of Trustees, individually, and as authorized by and through the Board of Governors of the State University System of Florida, a body corporate and instrumentality of the State of Florida (the “Borrower”), for value received, hereby promises to pay to the order of Rice Capital Access Program, LLC (the “Lender”), as the legal assignee of Rice Securities, Inc., in its capacity as Designated Bonding Authority (within the meaning of 20 U.S.C. § 1066a(8)), such amounts as may be advanced from time to time to or for the account of the Borrower (each such amount being an “Advance”) up to the principal sum of \$102,995,000 together with interest on the unpaid principal balance of each Advance from the date that the respective Advance is made until fully and finally paid, together with all taxes levied or assessed on this Note or the debt evidenced hereby against the holder hereof. Each Advance made under this Note shall bear interest at the rate of interest determined as provided in the Series A 2024-1 Bond referred to below.

This Note has been executed under and pursuant to the Capital Project Loan Agreement dated as of _____, 2024, between the Lender and the Borrower (the “Agreement”) and is secured as provided in such Agreement. All terms not otherwise defined herein shall have the meanings ascribed thereto in the Agreement. This Note is issued to evidence the obligation of the Borrower under the Agreement to repay the loan made by the Lender from the proceeds of its \$102,995,000 Future Advance Project Funding Bond, Series A 2024-1 (The Florida Agricultural and Mechanical University Board of Trustees, individually, and as authorized by and through the Board of Governors of the State University System of Florida Project) (Long-Term Fixed-Rate Bond) (the “Series A 2024-1 Bond”), together with interest thereon and all other amounts, fees, penalties, premiums, adjustments, expenses, counsel fees and other payments of any kind required to be paid by the Borrower under the Agreement.

The Agreement and this Note (hereinafter collectively referred to as the “Financing Documents”) have been assigned to Regions Bank, a banking corporation duly organized and existing under the laws of the State of Alabama (the “Trustee”), acting pursuant to the Trust Indenture, dated as of September 19, 1996, as amended by the Amended and Restated First Amendment to Trust Indenture dated November 24, 2003 between Commerce Capital Access Program Corporation and Commerce Bank, National Association, the Second Amendment to Trust Indenture dated September 25, 2009 between the Trustee and the Lender, and the Ninety-Second Supplemental Trust Indenture, between the Trustee and the Lender, dated as of _____, 2024 (collectively, the “Indenture”). Such assignment is made as security for the payment of the Series A 2024-1 Bond.

As provided in the Agreement and subject to the provisions thereof, payments hereon are to be made at the designated corporate trust office of the Trustee in Atlanta, Georgia, or at the

office designated for such payment by any successor trustee in an amount which, together with other moneys available therefor pursuant to the Indenture, will equal the amount payable as principal of and interest, late charges (if any), and premiums (if any) on the Series A 2024-1 Bond outstanding under the Indenture on such Payment Date. The Series A 2024-1 Bond provides for the optional prepayment thereof in whole or in part and, accordingly, the Agreement includes provision for optional prepayment of this Note as a whole or in part, and in such event the prepayment shall be credited in inverse order of principal installments due. The Series A 2024-1 Bond also provides for the capitalization of all interest payments that otherwise would be due and payable before January 1, 2026 and, accordingly, the Agreement provides for the capitalization of all interest payments that otherwise would be due and payable before the First Payment Date (as that term is defined in the Agreement). As provided in Section 2.7 of the Agreement, Loan Payments shall be deemed paid at the time the corresponding payments of principal and interest are paid on the Series A 2024-1 Bond to the extent that such payments on the Series A 2024-1 Bond are attributable to Loan Deposits or investment earnings thereon.

The Borrower shall make payments on this Note on the dates and in the amounts specified herein and in the Agreement and in addition shall make such other payments as are required pursuant to the Financing Documents, the Indenture and the Series A 2024-1 Bond. Upon an Event of Default, as defined in any of the Financing Documents, the principal of and interest on this Note may be declared immediately due and payable as provided in the Agreement. Upon any such declaration the Borrower shall pay all costs, disbursements, expenses and reasonable counsel fees of the Lender, the Secretary and the Trustee in seeking to enforce their rights under any of the Financing Documents.

All obligations of the Borrower herein are obligations of the Borrower and not of its officers, directors or employees.

This Note shall be a limited obligation of the Borrower, the principal and interest on which shall be payable by the Borrower solely out of and secured by the Student Housing Net Revenues. This Note shall not be deemed to constitute a general debt or a pledge of the faith and credit or taxing power of the State of Florida (the "State") or any of its agencies, the Board of Governors or the Borrower, and the full faith and credit of the State or the Borrower is not pledged to the payment of the principal of, premium, if any, or interest on this Note. The issuance of this Note does not, directly or indirectly, obligate the State to use state funds, other than the Student Housing Net Revenues, to levy or to pledge any form of taxation whatsoever or to make any appropriation for its payment. In the event of a breach of any such covenant or agreement, no personal or pecuniary liability or charge payable directly or indirectly from the general assets or revenues of the Borrower (other than the Student Housing Net Revenues) shall arise therefrom. Nothing contained in this paragraph, however, shall relieve the Borrower from the observance and performance of the covenants and agreements on its part contained herein or in the Series A 2024-1 Bond.

No recourse shall be had for the enforcement of any obligation, covenant, promise or agreement of the Borrower contained in this Note or any of the transactions contemplated herein, as applicable, against any member of the Board of Trustees of the Borrower, any officer or employee, as such, in his or her individual capacity, past, present or future, of the Borrower, either directly or through the Borrower, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, it being expressly agreed and understood that the Note is solely a corporate obligation, and that no personal liability

whatsoever shall attach to, or be incurred by, any member, officer or employee as such, past, present or future, of the Borrower, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the Borrower and the participants to the transactions contemplated herein or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such member, officer and employee is, by the enactment of the authorizing resolutions of the Borrower and the execution of the Note, and as a condition of, and as a part of the consideration for, the execution of the Note, expressly waived and released. The immunity of officers and employees of the Borrower under the provisions contained in this paragraph shall survive the completion of the Project and the termination of the Note.

THE BORROWER ACKNOWLEDGES THAT THE LOAN EVIDENCED BY THIS NOTE IS A COMMERCIAL TRANSACTION AND WAIVES ITS RIGHTS TO NOTICE AND HEARING AS ALLOWED UNDER ANY STATE OR FEDERAL LAW WITH RESPECT TO ANY PREJUDGMENT REMEDY WHICH THE HOLDER HEREOF MAY DESIRE TO USE. The Borrower further (1) waives diligence, demand, presentment for payment, notice of nonpayment, protest and notice of protest, notice of any renewals or extension of this Note, and all rights under any statute of limitations, (2) agrees that the time for payment of this Note may be changed and extended at the sole discretion of the Trustee without impairing its liability hereon, and (3) consents to the release of all or any part of the security for the payment thereof at the discretion of the Trustee or the release of any party liable for this obligation without affecting the liability of the other parties hereto. Any delay on the part of the Lender or the Trustee in exercising any right hereunder shall not operate as a waiver of any such right, and any waiver granted with respect to one default shall not operate as a waiver in the event of any subsequent default.

We have acted as legal counsel to The Florida Agricultural and Mechanical University Board of Trustees, individually, and as authorized by and through the Board of Governors of the State University System of Florida (the "Borrower") in connection with that certain Capital Project Loan Agreement (the "Agreement") dated as of _____, 2024, between the Borrower and Rice Capital Access Program, LLC (the "Lender"). Terms defined in the Agreement have the same meaning when used in this opinion. In giving this opinion we have examined a copy of the Agreement signed by the Borrower, originals or copies certified to our satisfaction of certain relevant corporate records of the Borrower and such other documents, records and other matters in our opinion appropriate or necessary to enable us to render our opinion.

Subject to the qualifications mentioned below, we are of the opinion that:

1. The Borrower is a public agency of the State of Florida, and is, duly organized, validly existing and in good standing under the laws of the State.
2. The Borrower has the power, authority and legal right to own its assets and to conduct its business as presently conducted, to execute, deliver and perform its obligations under the Agreement, the Loan Documents and any agreement, document or instrument made or executed pursuant to any Loan Document, and to issue the Note and to borrow and repay the Loan.
3. The execution and delivery by the Borrower of the Agreement, the Note and any agreement, document or instrument made or executed pursuant to any other Loan Document to which the Borrower is a party, and the performance by the Borrower of its obligations thereunder, have been duly authorized by necessary corporate action of the Borrower.
4. The Borrower is an Eligible Institution as defined in 20 U.S.C. §1061(2).
5. The execution, delivery and performance of the Agreement, the Note and each of the Loan Documents by the Borrower do not: (i) violate any of the terms, conditions or provisions of the Authorizing Act or the State Bond Act; (ii) violate or contravene any provision of law, any rule or regulation or any judgment, injunction or order applicable to the Borrower or its Properties or by which it is bound or affected; (iii) violate or contravene, or result in a breach of or constitute a default or ground for acceleration of the maturity of, any mortgage, security agreement, indenture

or other agreement or instrument, to which the Borrower is a party or by which the Borrower or its Properties may be bound or affected; and (iv) result in the creation or imposition of any lien or security interest on any property of the Borrower other than as contemplated by the Agreement.

6. The Agreement, the Note and each of the other Loan Documents are the valid, legal and binding obligations of the Borrower and enforceable against it in accordance with their terms.

7. There is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to our knowledge, threatened against or affecting the Borrower: (a) wherein an unfavorable decision, ruling or finding would materially adversely affect (i) the transactions contemplated by or the validity of the Agreement or any other Loan Document, or (ii) the Project or the Properties of the Borrower or the ability of the Borrower to perform its obligations under the Agreement, the Note and the other Loan Documents, (b) which in any way contests the existence, organization or powers of the Borrower or the titles of the officers of the Borrower to their respective offices, or (c) with respect to the Borrower's eligibility under Title IV of the Higher Education Act of 1965, Pub. L. No. 89-329 or the Higher Education Amendments of 1992, Pub. L. No. 103-325.

8. No authorization, approval, license or permit, including without limitation construction and zoning permits, are required, and no other action by, notice to or filing with, any governmental authority or judicial or regulatory body, is required (or, if required, such authorization, approval, license, permit, action or filing has been duly made or obtained) for the completion and occupancy of the Project or the Student Housing Property or the due execution and delivery and performance of the obligations of the Borrower under the Agreement, the Note and the Loan Documents, except for the filing of the Financing Statements.

9. The provisions of the Loan Agreement are sufficient to create in favor of the Lender and Trustee, as assignee of Lender, a valid pledge of and security interest in the Student Housing Net Revenues pursuant to Florida Statutes, Section 1010.62. Upon the execution and delivery of the Loan Documents, the Lender will have perfected a security interest in all right, title and interest of the Borrower in the Student Housing Net Revenues.

The qualifications to which this opinion is subject are as follows:

(A) This opinion is limited to the laws of the State of Florida and the law of the United States as in effect on the date of this opinion. No opinion is expressed as to the laws of any other jurisdiction. We note that the Agreement and the Note are expected to be governed by the laws of the State of Florida.

(B) We assume the Agreement has been duly authorized by the Lender and will be duly executed and delivered by the Lender in accordance with such authorization.

(C) Our opinion as to the enforceability of the obligations of the Borrower under the Agreement and any instrument or other agreement required thereunder is subject to bankruptcy, insolvency, moratorium, fraudulent conveyance liquidation and similar laws affecting creditor's rights generally or to matters of public policy.

(D) Our opinion is subject to the effect of general principles of equity (regardless of whether considered in a proceeding in equity or at law).

We do not have, nor do we undertake, any obligation to update any of the opinions set forth herein.

Very truly yours,
